

Baldwin School District

Universal Pre-Kindergarten (UPK) Program

Our Curriculum

The Creative Curriculum[®]

A small illustration of a monarch butterfly.

The Baldwin School District UPK program is proudly operated by Just Kids.

Children develop early math, literacy, and social-emotional skills through fun, engaging, and developmentally appropriate lessons and hands-on activities. Our programs are taught by caring NYS-certified teachers who create a supportive classroom environment where every child can learn, explore, and grow.
