Land Acknowledgement

We acknowledge the original inhabitants of this place, the Sdohobsh people and their successors the Tulalip Tribes, who since time immemorial have taken care of, hunted, fished and gathered on these lands.

We respect their sovereignty, their right to self-determination, and we honor their sacred spiritual connection with the land and water.

By acknowledging these homelands, we commit to working with tribal nations to further the education aims they have identified in our classrooms and schools.

What about sports, clubs, and extracurricular activities?

There is something for everyone here at LHS

Royals get a chance to take part in rewarding and fun clubs and activities. Being part of an ASB club/group is an excellent way to meet new people, share common interests with other students and grow personally.

We have about 30 registered student clubs

- Music, Social Justice, Dance and so much more!
- Students can even start a club if they wish.

Sports, clubs, and activities

Encourage your student to get involved:

- Join or start a club
- Join student government
- Join a sport
- Join arts, drama, or music
- Be a fan at sporting events, homecoming, concerts etc.

Most sports at LHS are non-cut!!! Get involved early… Many Royal teams hold summer workouts! Inquire with Mr. Prichard!!!

We are working to make this a school where every student belongs and feels that this is THEIR school.

Other questions?

Thank you for attending tonight!
