

THE HOWLER

“LEAD THE PACK, FIND YOUR PATH, & HOWL WITH PURPOSE”

A MESSAGE FROM PRINCIPAL JONES

Huskies,

You may have noticed there was not a newsletter last week. I was out of state on bereavement leave with my family, and I sincerely appreciate the messages, prayers, and support extended to us during that time. Our school community continues to demonstrate what it means to care for one another in meaningful ways. I am grateful to be back and grateful to serve such a strong and compassionate community.

While I was away, our students continued doing what Huskies do...rising to the occasion. I am incredibly proud to share that our Boys Basketball Team are Middle School Conference Champions and an undefeated season! Our Girls Basketball Team finished as Conference Runners Up after an outstanding season of growth and determination. Both teams represented our school with effort and heart. As a school community, we celebrate their commitment, teamwork, and resilience.

As we look ahead to the next 45 days, our focus sharpens on preparation for the upcoming Georgia Milestones Assessments. Attendance during this stretch is critical. Each instructional day builds on the last, and even one absence can create gaps in understanding that are difficult to close quickly. Being present, engaged, and ready to learn every day gives students the strongest opportunity to demonstrate what they know and show their growth.

Success in the classroom mirrors what we witnessed on the court this season. Championships are not won on game day alone; they are earned through daily practice, preparation, repetition, and commitment when no one is watching. The same is true academically. Winning and success requires steady attendance, focused effort, and consistent preparation lead to confident performance. When our students show up each day ready to work, they are truly Leading the PACK ... Finding Their Path, one step, one lesson, and one opportunity at a time.

Thank you for your continued partnership and support as we move confidently through the next 45 days together.

H2...You Know!
