What? Information meetings for students--and their parents--interested in applying for the 2026-27 academic year. Governor's School staff will present the unique features of the school and will give access to application information required for selection and admission via email. The School is a regional, academic-year program for secondary school students in grades 9-12 who are highly motivated in science and mathematics. Selection for available spaces is competitive.

Who? Students and at least one parent or guardian must attend one of the above sessions in order to obtain an application for admission.

For additional information, call The Governor's School, 853-2116 or e-mail, ksebolt@rvgs.k12.va.us.
