RESOLUTION NO. 1261

A RESOLUTION of the Board of Directors of Issaquah School District No. 411, King County, Washington, adopting a system of registration of bonds and obligations of the District; and providing for related matters.

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF ISSAQUAH SCHOOL DISTRICT NO. 411, KING COUNTY, WASHINGTON, as follows:

Section 1. Findings and Determinations. The Board of Directors (the “Board”) of Issaquah School District No. 411, King County, Washington (the “District”) takes note of the following facts and makes the following findings and determinations:

(a) Section 149(a) of the Internal Revenue Code of 1986, as amended, requires municipal bonds and obligations offered to the public having a maturity of more than one year to be in registered form as a condition of the exclusion from gross income for federal income tax purposes of the interest on those bonds and obligations.

(b) RCW 39.46.030 authorizes the District to establish a system of registering the ownership of its bonds or obligations as to principal and interest, or principal only.

(c) It is in the District’s best interest to establish a system of registering the ownership of the District’s bonds and obligations in the manner permitted by law.

Section 2. Definitions. In addition to the words and terms defined elsewhere in this resolution, the following words and terms used in this resolution have the following meanings unless the context or use indicates another or different meaning or intent:

(a) “Bond” or “bonds” has the meaning defined in RCW 39.46.020, as the same may be amended from time to time.

(b) “Fiscal Agent” means the duly appointed fiscal agent of the State of Washington (as designated by the State Finance Committee from time to time pursuant to chapter 43.80 RCW).

(c) “Obligation” or “obligations” has the meaning defined in RCW 39.46.020, as the same may be amended from time to time.

(d) “Registrar” means the person, persons or entity designated by the Treasurer to register ownership of bonds or obligations under this resolution or under a resolution of the District authorizing the issuance of such bonds or obligations.

(e) “Treasurer” means the Treasury Operations Section, Finance and Business Operations Division, Department of Executive Services, King County, Washington, as *ex officio* treasurer of the District, or any successor to the functions of the Treasurer.

Section 3. Adoption of Registration System. The Board adopts the following system of registering the ownership of the District's bonds and obligations.

(a) Registration Requirement. All bonds and obligations offered to the public, having a maturity of more than one year, on which the interest is intended to be excluded from gross income for federal income tax purposes, shall be registered as to both principal and interest as provided in this resolution.

(b) Method of Registration. The registration of all District bonds and obligations required to be registered shall be carried out either by:

(1) a book-entry system of recording the ownership of the bond or obligation on the books of the Registrar, whether or not a physical instrument is issued; or

(2) recording the ownership of the bond or obligation and requiring as a condition of the transfer of ownership of any bond or obligation the surrender of the old bond or obligation and either the reissuance of the old bond or obligation or the issuance of a new bond or obligation to the new owner.

No transfer of any bond or obligation subject to registration requirements shall be effective until the name of the new owner and the new owner's mailing address, together with such other information determined appropriate by the Registrar, are recorded on the books of the Registrar.

(c) Denominations. Except as may be provided otherwise by the resolution authorizing their issuance, registered bonds or obligations may be issued and reissued in any denomination up to the outstanding principal amount of the bonds or obligations of which they are a part. Such denominations may represent all or a part of a maturity or several maturities and on reissuance may be in smaller amounts than the individual denominations for which they are reissued.

(d) Appointment of Registrar. Unless otherwise provided in the resolution authorizing the issuance of registered bonds or obligations, the Treasurer shall be the Registrar for all registered interest-bearing warrants, installment contracts, interest-bearing leases and other registered bonds or obligations not usually subject to trading without a fixed maturity date or maturing one year or less after issuance and the Fiscal Agent shall be the Registrar for all other District bonds and obligations with a fixed maturity date or maturing more than one year after issuance.

(e) Duties of Registrar. The Registrar shall serve as the District's authenticating agent, transfer agent, registrar and paying agent for all registered bonds and obligations for which that Registrar serves as Registrar and shall comply fully with all applicable federal and state laws and regulations respecting the carrying out of those duties.

The rights, duties and responsibilities of the Registrar shall be prescribed in each resolution authorizing the issuance of the bonds or obligations, which rights, duties and responsibilities shall be embodied in a contract executed by the District and the Registrar, except that (i) when the Fiscal Agent serves as Registrar, the District adopts by reference the contract between the State Finance Committee of the State of Washington and the Fiscal Agent in lieu of executing a separate contract and prescribing by resolution the rights, duties, obligations and compensation of the Registrar and (ii) when the Treasurer serves as Registrar, a separate contract shall not be required.

In all cases when the Registrar is not the Fiscal Agent and the bonds or obligations are assignable, the resolution authorizing the issuance of the registered bonds or obligations shall specify the terms and conditions of:

- (1) making payments of principal and interest;
- (2) printing any physical instruments, including the use of identifying numbers or other designation;
- (3) specifying record and payment dates;
- (4) determining denominations;
- (5) establishing the manner of communicating with the owners of the bonds or obligations;
- (6) establishing the methods of receipting for the physical instruments for payment of principal, the destruction of such instruments and the certification of such destruction;
- (7) registering or releasing security interests, if any; and
- (8) such other matters pertaining to the registration of the bonds or obligations authorized by such resolution as the District may determine to be necessary or appropriate.

Section 4. Statement of Transfer Restrictions. Any physical instrument issued or executed by the District subject to registration under this resolution shall state that the principal of and interest on the bonds or obligations shall be paid only to the owner thereof registered as such on the books of the Registrar as of the record date defined in the instrument and to no other person, and that such instrument, either principal or interest, may not be assigned except on the books of the Registrar.

Section 5. Execution. This resolution may be executed by the Directors being present and voting in favor of the resolution, or only the President of the Board, and attested by the Secretary to the Board, in tangible medium, manual, facsimile or electronic form under any security procedure or platform, and notwithstanding any other District resolution, rule, policy or procedure, or in any other manner evidencing its adoption.

Section 6. Effective Date. This resolution takes effect from and after its adoption.
