# ALEXANDER CAMP

**IT'S ALL ABOUT FUN.**

**IT'S ALL ABOUT FRIENDSHIP.**

Alexander Camp is about fostering a sense of enjoyment and engagement in your child.

Through a variety of stimulating activities, your child is provided with the opportunity to discover teamwork and sportsmanship, a love of learning, and renewed self-confidence – all while having a blast!

## **THERE'S SOMETHING FOR EVERYONE**

Designed for children from ages 3-12, Alexander Camp is conveniently located, affordable, and offers a variety of different programs geared to your child's age, stamina, and skill level. Our campers also come from all over the world, so no two students are alike in personality, talent, or world view.

To meet the needs of every student, we alternate indoor and outdoor events, varying them in length according to the activity and the interest of each group. The environment is always supportive, respectful, and designed to bring out the best in each child.

## **ABOUT ALEXANDER MONTESSORI SCHOOL**

Founded in 1963, Alexander Montessori has taught children to love to learn for over sixty years. We have earned a superior reputation as one of the nation's leading "authentic" Montessori schools, one outstanding student at a time.
