Resolution No. 1260 Adoption of Intent to Construct the New High School – Tow-Yick / Turney / Mullins

Action to be taken: **I move the Board adopt Resolution No. 1260 to approve and adopt the Intent to Construct the New High School (previously High School #4).**

The District has determined a need for a new high school. The taxpayers have approved a construction bond and levy to provide funding for construction. The District has qualified for partial School Construction Assistance Program (SCAP) funding for the New High School (previously High School #4). In order to meet compliance with WAC 392-344-130, the Office of the Superintendent of Public Instruction requires the District Board of Directors authorize the construction of the New High School (previously High School #4).

Martin Turney and Tom Mullins will be present to answer any questions the Board may have regarding this resolution. Resolution No. 1260 is attached to this agenda for review.
