

EAGLE NEWS

Anderson Island Elementary

February 27, 2026

Good afternoon Eagle Families,

It was another great week here at AIE! Today we had the joy of celebrating Alkai's Birthday and Miracle's upcoming Birthday (March 1). Happy Birthday to both of these awesome Eagles!

Next week kicks off the first week of March, and it is shaping up to be a FUN one. The birthday celebrations continue as we look forward to celebrating Remy next week! We also have Spirit Week, and we can't wait to see everyone join in:

Monday – Pajama Day

Tuesday – Wild Sock Day

Wednesday – Color Day

Thursday – Stuffed Animal Day

Friday – Bring Your Favorite Book Day

Friday will be extra special as we host our Read Across America Community Breakfast from 8:30–9:30 AM. We are excited to celebrate the incredible support of our community and the amazing hard work of our students. In February alone, our Eagle Community read over 500 hours!! That is an outstanding effort, and we are so proud of them. We hope you can join us on Friday morning as we celebrate our students, our community, and our time together.

Until then, enjoy the sunshine this weekend, get outside, get some rest, and help us finish February strong by continuing to READ!

See you all next week.

- Mr. Miller

Let's celebrate!

You are invited

March 6, 2026

8:30 a.m.

Read Across America
Community Breakfast,

a Title I event,

Come see our student stories

& displays,

Read-A-Thon
announcements.

March 2-6 Spirit Week

March 6 Read Across America Breakfast 8:30 a.m.

March 13 No School (Professional Development for staff)

Notes from the Classroom

Mrs. Cunningham

It was another successful week! These kids keep getting better:)

This week, we completed our I-Ready Reading and Math Growth Monitoring assessments, and I could not be more impressed with everyone's growth. A Growth Monitoring Assessment is a quick formative look at each student's progress on their "My Path" lessons. Growth Monitoring is just one way we keep track of their academic progress; other methods include classroom-based assessments (written and verbal) and project-based learning.

We were also able to mostly finish writing and typing our fairy tales that will be displayed during the Wild About Reading Breakfast on March 6. During library time this week, we had a visit from "Yetti and Echo" and learned about different insects and reptiles. Thank you to everyone who helped make this happen.

We ended the week with an amazing music class, a beautiful outside reading session, and Alkai's birthday! Have a great weekend, and I will see you back on Monday!

Upcoming events:

Feb.27 - Alkai's Birthday

February 28 - last day of the Read-A-Thon

March 1 - Miracle's birthday

March 6 - Wild About Reading Breakfast

Reading outside-our favorite!

Read Across America Spirit Week
