IMPORTANT NOTES

- Weight is added into the Weighted Academic GPA only, not the individual grades reported on the transcript.
- Honors and AP courses not taken at Lakeview Academy are not given any weight but do factor into the GPA.
- Dual Enrollment course grades appear on the transcript but do not factor into the GPA
- In the 2023-2024 school year, Honors Pre-Calculus followed the new AP Pre-Calculus curriculum without being designated as an official AP Course. Therefore, the course is not identified as AP on the transcript nor is it given AP weight. Students were given the opportunity to take the AP Pre-Calculus exam.

COURSE OFFERINGS AND GRADUATION REQUIREMENTS

A minimum of 22 ½ units of credit in grades 9-12 are required for graduation. Middle School classes may count as prerequisites but are not considered earned credits on the transcript. Students are allowed to take AP courses as early as the 9th grade and are not limited in how many AP courses they can take each year. In addition to course work, all students must accumulate 15 hours of community service each year that they are enrolled in the Upper School at Lakeview Academy.
