Just a friendly reminder that Daylight Saving Time begins this weekend! Don't forget to turn your clocks forward one hour on Sunday morning. Unfortunately that means one less hour of sleep... but the good news is more daylight in the evenings!

Additionally, to help keep our classrooms clean and focused on learning, I wanted to remind families that food and drinks are not permitted outside of the cafeteria or inside classrooms, except during designated snack times. Bottled water is allowed throughout the school day. This includes Gatorade, soda, juice, and any food deliveries. Please see the JFK Student Handbook (page 15) for more information.

Thank you for helping us maintain a healthy and positive learning environment! 😊

Please remember that next Friday, March 13th, is an early release for all students in Holbrook. JFK students will be dismissed at

11:45AM. There is no afternoon preschool. If there is a change to your child's normal routine for getting home please send a note into school. Please also keep in mind that students may only ride on their assigned bus.
