

Iroquois Class of 2026 Senior Photo Request

Help us create the Class of 2026 Senior Video!

Dear Parents/Guardians of the Iroquois Class of 2026,

As we begin to celebrate the journey of the Iroquois Class of 2026, we are excited to start creating our Senior Video, which will highlight memories from our students' earliest years through their graduation.

We are asking each family to help by **submitting five photos** of your child, representing different stages of their life. Photos can be from birth through their senior year and may include school events, sports, activities, or special moments that capture their growth over the years.

How to Submit Photos:

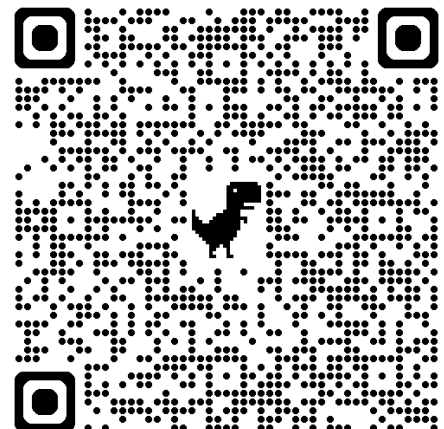

- Please create a Google Photo Album labeled with your child's First and Last Name.
- Upload **5 photos** of your child to the album.
- Share the album to jennadriver@gmail.com

*If you are unable to create a photo album (preferred method), you may email the photos to jennadriver@gmail.com. Please be sure each photo is labeled with your child's first and last name.

In addition, if you have group or school-related photos, such as elementary classroom parties, field trips, school events, sports nights, or other Iroquois activities, please upload those to the shared folder: <https://photos.app.goo.gl/kKN6ZbDzj8kWKEH58>

These shared memories will help us create a meaningful video that celebrates the experiences and friendships that have shaped this graduating class. Thank you for helping us make the Class of 2026 Senior Video a special tribute for our students. If you have any questions, please feel free to reach out.

Sincerely,
Jenna Driver
