

STRONGSVILLE CITY SCHOOLS

WINTER 2026 NEWSLETTER

FOR FAMILIES OF GIFTED LEARNERS

A note from the gifted coordinator:

Hello, Strongsville community!

As we move through the winter months, our gifted learners continue to demonstrate curiosity, creativity, and a drive to explore ideas in deeper and more complex ways. Gifted learners thrive when they can dive deeply into topics they love and connect learning to the real world.

Strongsville City Schools remains committed to nurturing the whole gifted child, and I am grateful to partner with you in supporting your child's unique strengths. Northeast Ohio offers many opportunities for students to pursue their passions through STEM, arts, academic, and nature-based experiences beyond the classroom.
