

# PCDS SUMMER 2026

JULY 6-31ST

# WELCOME

Welcome to the sixth season of PCDS Summer! Our mission is to immerse children in a dynamic environment of exploration and discovery while ensuring their safety and well-being.

PCDS Summer builds upon the foundational principles of Park City Day School by fostering students' confidence, encouraging them to embrace new experiences, and supporting their ability to navigate challenges. Through collaborative play and experiential learning, campers will enhance their social-emotional skills, develop mindfulness, and cultivate an awareness of their beautiful mountain surroundings both on and off campus.

We invite you to explore this catalog and discover the enriching (and FUN!) opportunities that await.

# GENERAL INFORMATION

## CAMP SCHEDULE

Camp runs from 8:30-3:00pm, Monday-Friday.

## REGISTRATION AND PAYMENT

The registration form is available at [www.parkcitydayschool.org/pcdssummer](http://www.parkcitydayschool.org/pcdssummer). Full payment is required at the time of registration.

## WHAT TO BRING

Please wear clothes and shoes that you are comfortable in. Make sure they are appropriate for your camp experience.

Pack a hat, sunscreen, bathing suit, towel, water bottle and backpack.

Bring a healthy lunch and plenty of snacks.

## SWIMMING AND POOLS

Campers will have water experiences such as wading pools, sprinklers and slip and slides.

# MINI MOOSE

SUMMER FUN FILLED WITH  
EXPLORATION AND DISCOVERY

AGES 3-4

\$375 FULL DAY | \$300 HALF DAY

WEEK 1- JULY 6-10TH

## **BACKYARD ANIMALS**

From moose to mule deer, campers discover the wildlife that call Utah home. Campers will learn about the ecosystem in their backyard by engaging in hands-on activities.

WEEK 2- JULY 13-17TH

## **DINOSAUR DISCOVERY**

Through fossils, excavation activities, and prehistoric adventures, campers will become junior paleontologists uncovering the secrets of these ancient giants.

WEEK 3 JULY 20-24TH

## **LITTLE CREATORS**

Get ready to create, move and imagine! Campers experiment with art, movement, and sound. Each day invites imagination, collaboration, and confidence-building through the arts.

WEEK 4 JULY 27-31ST

## **UNDER THE SEA**

Dive into ocean exploration! Campers investigate sea creatures and marine habitats through art, science experiments, dramatic play, and water fun. Splashy, creative, and full of discovery.

# CURIOUS CUBS

SUMMER FUN FILLED WITH  
EXPLORATION AND DISCOVERY

## RISING K-1ST GRADE

\$425

WEEK 1- JULY 6-10TH

### **PC ADVENTURES**

Discover the best of Park City! Campers will embark on local adventures, exploring trails, parks, and hidden gems while learning about nature, history, and outdoor fun.

WEEK 2- JULY 13-17TH

### **UTAH MAKERS**

Campers explore how local products are made, from farms and creameries to bakeries and chocolate makers. Through site visits, tastings, and hands-on activities, students connect with Utah's local farming and food systems.

WEEK 3 JULY 20-24TH

### **WILD AND WATER**

Water, trails, and fresh mountain air. Campers explore local streams, engage in mini hikes, learn about watersheds, and develop outdoor skills, all while building confidence and teamwork in nature.

WEEK 4 JULY 27-31ST

### **LITTLE ARTISTS**

Nature becomes our studio. Using natural materials, campers create land art, botanical prints, watercolor landscapes, and eco-inspired sculptures. Creativity meets environmental appreciation.

# JR. JACKRABBITS

SUMMER FUN FILLED WITH  
EXPLORATION AND DISCOVERY

**RISING 2-4TH GRADE**

**\$450**

**WEEK 1- JULY 6-10TH**

**WEEK 2- JULY 13-17TH**

**WEEK 3- JULY 20-24TH**

**WEEK 4- JULY 27-31ST**

Adventure awaits! Each morning, Jr. Jackrabbits will set out to explore Park City, discovering nature, building confidence, and embracing outdoor fun. In the afternoons, they return to campus for woodworking projects, artistic activities and STEAM challenges. This program balances active exploration with imaginative creation, giving campers the freedom to learn, experiment, and play in a supportive, inspiring environment.
