

[Westford Integrated Preschool](#)
[2026-2027 Registration for tuition paying role model students](#)

Thank you for your interest in Westford Integrated Preschool. Westford Integrated Preschool offers a curriculum that is meaningful to Westford's youngest learners with focus on social and emotional development through play based learning and alignment with the Massachusetts Curriculum Frameworks..

Preschool classrooms are housed in each of the neighborhood PreK-2 schools: Nabnasset School, Col. John Robinson School and Rita E. Miller School.

Each year, Westford welcomes Play Pals to enroll as tuition paying students. This opportunity allows our special education students the ability to integrate with peers from the community. Once again, we are anticipating a high interest for the 2026-2027 enrollment. Please take the time to familiarize yourself with the program to see if your child meets the criteria as a Play Pal. They must fit the age criteria, potty trained and not receiving academic or therapeutic services from Westford Public Schools. In anticipation, a link for registration will be available **Monday, January 26, 2026**. Once that link is live, you may register your child. Registrations close **PROMPTLY at MIDNIGHT ON Friday, FEBRUARY 27, 2026**. A lottery will THEN be held for each school on **Friday March 6th**, with snow day scheduled for **Monday March 9th**. Families will be notified via email if their child was selected or placed on a wait list.

Students who are selected need to be 4.0 years old and fully potty trained by August 31, 2026. Any student over 5.0 years old should be registering for Kindergarten. A 10% deposit (\$700.00) along with all completed registration paperwork is due by **Friday, March 20, 2026**. Failure to submit will result in your child's spot being offered to another student on the waiting list.

Payment Schedule:

2 nd payment of \$2,100.00	Due August 2026
---------------------------------------	-----------------

3 rd payment of \$2,100.00	Due November 2026
Final payment of \$2,100.00	Due February 2027

Openings are available for the Monday - Thursday, full day program ONLY. There are no classes on Fridays and hours of operation are 9:05am -3:10pm.

Please note: transportation is the responsibility of the family. There is no bus service.

We encourage families to only apply for their neighborhood school. If you need assistance knowing which school falls in your catchment area, please refer to the [School Locator](#).

Registration paperwork can be found [here](#)
