Time out to relax . . . a chat with friends . . . a discussion with the teacher . . . or just plain goofing off . . . all welcomed in the middle of a hard day.

These are the good times . . . sometimes quiet, sometimes not so quiet . . . times to have fun and enjoy yourself . . . times that make school worthwhile.

The football season is almost gone,
The time was really short;
And now it's time for the Homecoming Game
Queen Debi rules the court.

We worked to be the Mid-State champs,
We won it for our own;
And we bring glory to the great
Queen Debi on her throne.

Tomorrow at the Homecoming Dance
We'll have a celebration
To cheer the great Berne Union team,
The finest in the nation!

The Season's almost over,
 We really hit it big.
 We're the #1 football team,
 We're first in the Mid-State
 League.

We fought to be the Champions,
 We won it fair and square,
 Ole' Belli's done a great job,
 He and Mowery are quite a pair.

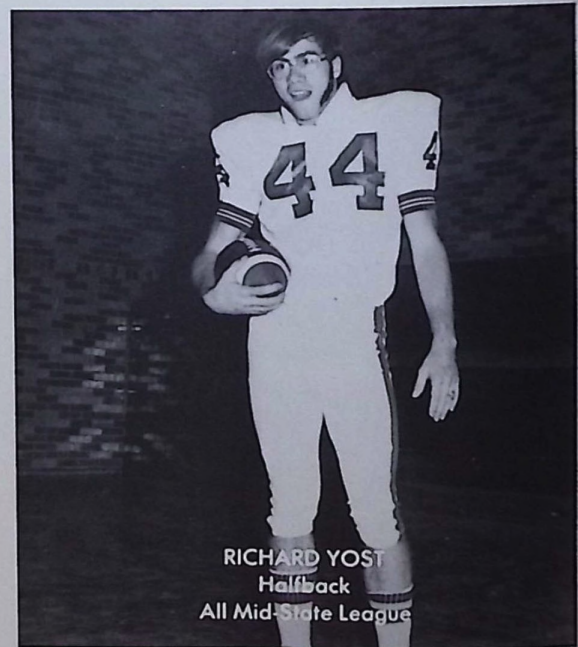

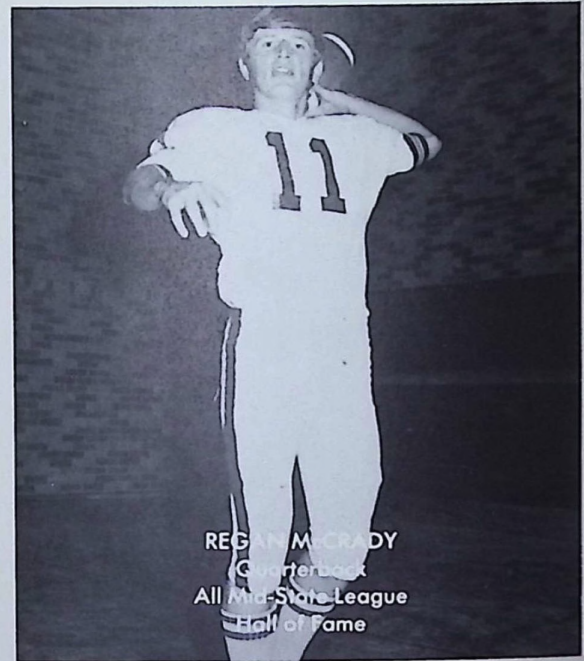

The Seniors will soon be leaving,
 The victory of games in their
 hearts,
 We'll forever remember the
 Seniors
 Who helped give B.U. a start.

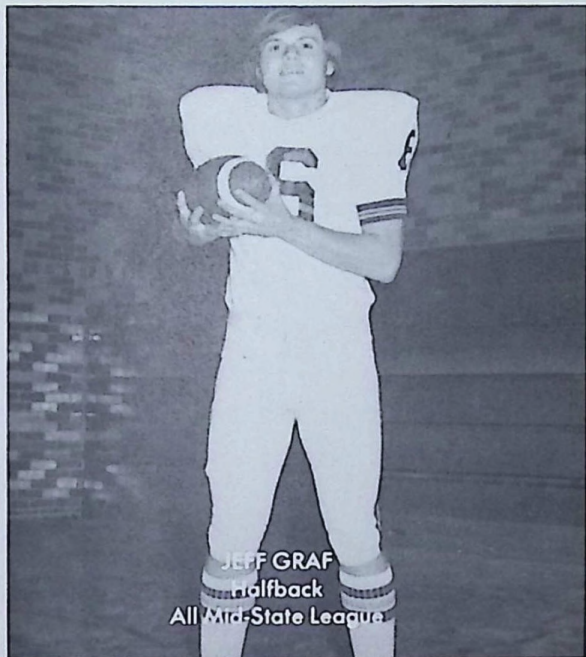

Super Seniors

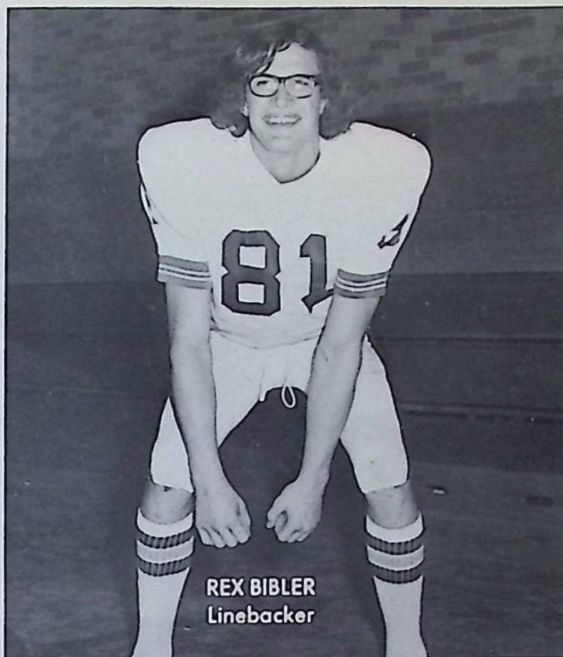

The seniors will soon be gone. They will go their separate ways, but they will always be remembered at Berne Union. They were the leaders in the greatest year our football team has known. More than any others, they helped to make our '72 team "the BEST of the Mid-State League."

RANDY HOLLAND
Honorable Mention

We, the Berne Union Rocket Basketball Team, would like to present this trophy to the school so that it may always stand for desire and determination. It was won by 11 young men who set a goal for themselves, and they would not be denied this goal. It was not won on superior athletic ability, but rather on superior desire. It was not won by one man, but rather by 11 players and 3 managers. These men were willing to devote 5 months of their lives for something they believed in. They laughed together, ached together, cried together, they suffered thru the agony of defeat after defeat, but most important of all they stayed together. The Rockets won, because we had a worthwhile goal. Although doubted by many, the B.U. Rockets never doubted themselves. They were, to the man, willing to give their lives for this trophy. —

A cheerleader is a girl who has to yell really loud because so many times no one else does in the crowd.

She has to keep smiling through victory and defeat and has to keep showing that fighting Rocket beat.

She takes pride in her team for they're a great bunch of guys, and it's because of them that she really tries.

G.A.A.

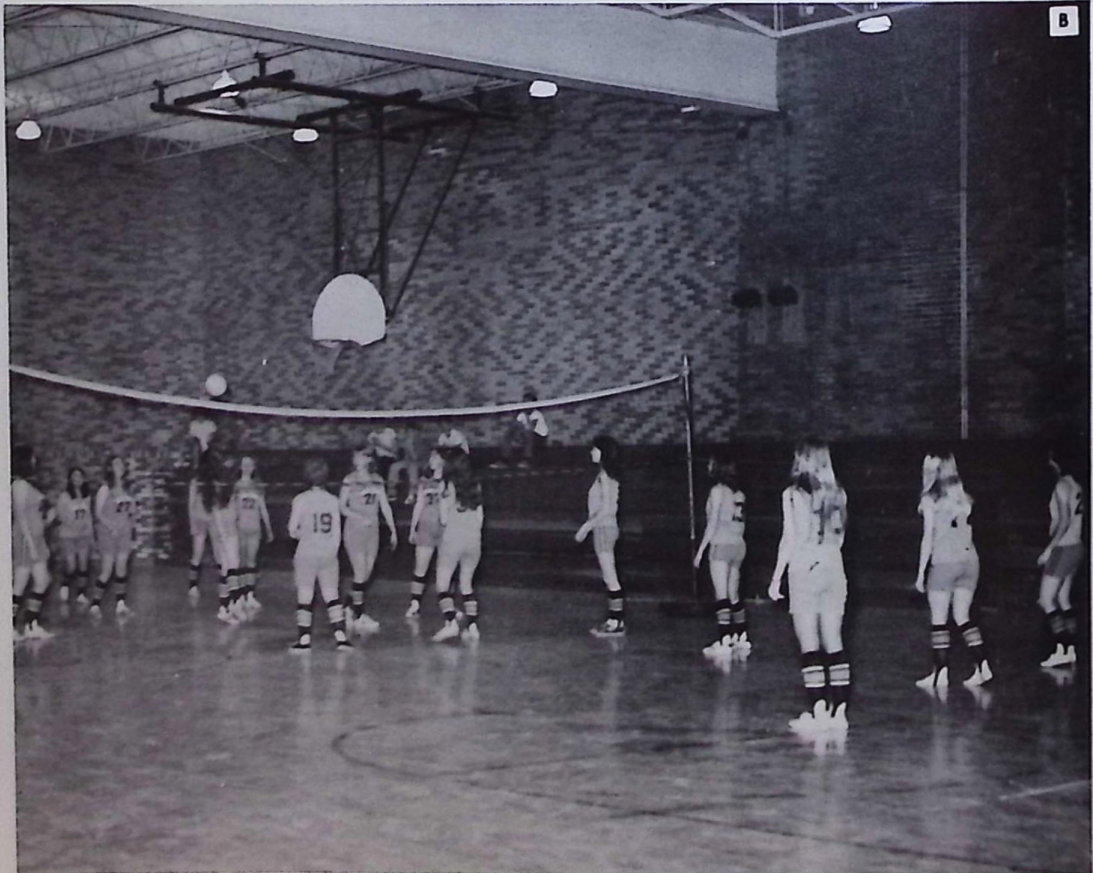

Girl's Athletic Association shows outstanding spirit. They sold tags, stationery, and light bulbs in order to have uniforms for their athletic games. The girls showed great desire, through long, hard, daily practices that proved worthwhile at the end of their seasons. The Reserve Volleyball team won the championship and received the county trophy while the Varsity Volleyball team met stiff competition but proved to be one of the better teams. The Basketball Team did not give up. They kept on working as a team, winning a majority of their games . . .

We, the members of the 1973 Milestone Staff, address this book to everyone who attends Berne Union School, as well as everyone who has attended in the past, and those who will attend in the future.

We know that life at school can be hard — an endless succession of homework, term papers and tests, with the next vacation, football game or dance seeming farther and farther away as the work piles up. But most of us realize that, despite all the hassle, these years are good ones. It is the purpose of this year's Milestone to show how great these years really were; so that, even after we have left Berne Union and almost forgotten what it was like there, we may look at this book, and remember.
