Read Across America Visitors

Always excited to have our Becton readers come visit Memorial to read to our students. Many thanks to members of the Becton National Honor Society who came to Memorial School on Thursday to read to our students in recognition of Read Across America!

Thanks also to the many local community representatives who came to Memorial School to read to our students.

Lastly, nothing better than seeing the connections made. To celebrate Read Across America Week, a group of MAS 4th graders travel to Memorial to read to their Memorial family.

Each year it is always one the best days of the year!
