Undergraduate Scholarship Program

Trade School/Vocational School

Utility Pipeline, Ltd. (UPL) intends to award at least three $1,500.00 scholarships to qualified applicants. The general terms and conditions for qualified applicants are as follows:

1. Applicant, applicant's legal guardians, parent or grandparent, or graduating high school must be a member of an affiliated natural gas cooperative or natural gas utility in Ohio, Pennsylvania, Indiana, Virginia, or West Virginia managed by Utility Pipeline, Ltd.

2. The applicant must be a graduating high school senior attending a trade/technical/vocational school in the fall of 2026. Once an applicant wins the award, they are ineligible to apply for future awards.

3. Minimum **2.5 cumulative** high school GPA.

4. The applicant's eligibility will be based on the application materials, academic performance, community service and promise shown for future achievement, based on the judgment of a review panel.

5. The award will be applied towards school tuition and is paid directly to the school.

6. The applicant must submit a completed, legible application form along with the following:

    a. Resume that includes academic achievements, extracurricular activities, awards/recognitions, community service, and work history
    b. One letter of recommendation - academic or one non-family member
    c. Proof of acceptance to trade/technical/vocational school (class schedule, receipt for tuition, letter from institution acceptable)
    d. Sealed high school transcript
    e. A brief, **typed** summary (no more than one page in length) detailing your career goals, how they will impact the natural gas industry (if applicable), and how your degree/certificate will help you achieve those goals. You may also include any financial needs or other special considerations.

7. **Applications and related materials must be received no later than March 31, 2026. Applications postmarked after March 31, 2026 will not be accepted.** (Incomplete applications will not be considered.)
