# Undergraduate Scholarship Program

## 4-Year College or University

**Utility Pipeline, Ltd. (UPL) intends to award at least three $1,500.00 scholarships to qualified applicants. The general terms and conditions for qualified applicants are as follows:**

1. Applicant, applicant's legal guardians, parent or grandparent, or graduating high school must be a member of an affiliated natural gas cooperative or natural gas utility in Ohio, Pennsylvania, Indiana, Virginia, or West Virginia managed by Utility Pipeline, Ltd.

2. The applicant must be a graduating high school senior attending a United States accredited 4-year college or university in the fall of 2026 (12 credit hours or more). Once an applicant wins the award, they are ineligible to apply for future awards.

3. Minimum **3.0 cumulative** high school GPA.

4. The applicant's eligibility will be based on the application materials, academic performance, community service and promise shown for future achievement, based on the judgment of a review panel.

5. The award will be applied towards school tuition and is paid directly to the college or university.

6. The applicant must submit a completed, legible application form along with a **typed** one-page narrative on one of the following topics: (handwritten and/or incomplete narratives will not be processed)

    a. How do you feel advancements in the natural gas industry have influenced your local economy? (Positively or Negatively)
    b. Tell us why you are striving to work in the natural gas industry in the future.
    c. Name three products other than gasoline, lubricants and tires that are made from petroleum. How would your personal life be different without these products?

7. **Each application must be accompanied by:**
    a. One letter of recommendation - academic or one non-family member
    b. Proof of acceptance to college or university(s) (class schedule, receipt for tuition, letter from institution acceptable)
    c. Sealed high school transcript

8. **Applications and related materials must be received no later than March 31, 2026. Applications postmarked after March 31, 2026 will not be accepted.** (Incomplete applications will not be considered.)
