SPEECH & DEBATE AND TRACK TEAMS RECEIVE SEND-OFF TO OHSAA STATE COMPETITIONS

This past week, our high school community came together to celebrate members of our Speech & Debate and Track teams as they prepared to compete in the Ohio High School Athletics Association (OHSAA) state tournaments. Students and staff lined the hallways for a special send-off, cheering and offering encouragement as the teams walked through the building before their competitions.

The high school was filled with excitement, high-fives, and well wishes, reflecting the pride students felt for their schoolmates and their accomplishments. Moments like this highlight the strong sense of support and school spirit that define the Heart of a Bulldog.

Congratulations to these students for earning the opportunity to compete at the state level through the OHSAA. Their commitment and hard work have brought them to this moment, and we are proud to support them as they represent our school.

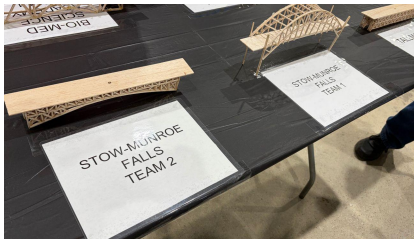

FUTURE ENGINEERS SHINE AT THE MINIATURE BRIDGE BUILDING COMPETITION

Our students continue to demonstrate their creativity and critical thinking that make our district special. Recently, students from the Six District Engineering Academy had the opportunity to put their engineering skills to the test at the Summit County Engineer's Miniature Bridge Building Competition.

From the initial design phase to the final construction, students worked diligently to bring their bridge projects to life. It was inspiring to see the innovation our students demonstrated as they tackled this challenge.

Experiences like this truly build the bridge between learning and the future.

KIMPTON'S MCTEACHER'S NIGHT

Principal Deitrick and Assistant Principal Haught, along with Kimpton teachers, left the classroom to work the counter of McDonald's during McTeacher's Night! Staff spent the evening serving customers, sharing smiles, and connecting with families. Thank you to everyone who stopped by to grab dinner to support Kimpton Middle School.

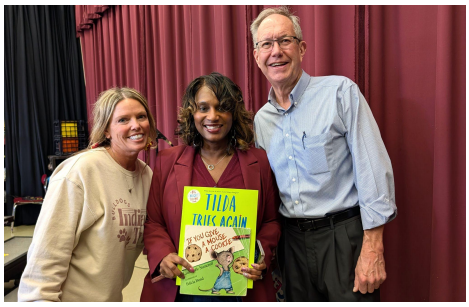

Important reminders!

- The **Board of Education** will hold a meeting at Lakeview Intermediate School on Monday, March 9 at 6 p.m.
- SMFHS STUCO is hosting a **5-Minute Blitz Chess Tournament** for students K-12 on Wednesday, March 11 at 5:30 p.m. in the library of the high school. There is a $5 entrance fee. Register here.
- Stow-Munroe Falls High School will have **early release** on Friday, March 13 at 12:30 p.m.

INDIAN TRAIL KICKS OFF NATIONAL READING MONTH

Students at Indian Trail Elementary School enjoyed a very special assembly in a kick-off celebration for National Reading Month in March! Guest readers from the school and our community shared excerpts from popular children's book - but there was a twist... the students had to guess who was reading. As each reader stepped out from behind the curtain, the crowd cheered and chanted, "Show your face!" I was happy to be included in this event as a secret reader. It was a fun, interactive way to celebrate the joy of reading.

STUCO HOSTS SCAVENGER HUNT TO INTRODUCE 8TH GRADERS TO SMFHS

On Tuesday, March 2, our incoming 8th grade students received a preview of high school during the High School Intro Scavenger Hunt, hosted by Student Council. Students explored the building, followed clues, and became familiar with the space they'll soon call home.

Thank you to our Student Council members for hosting such a welcoming and fun event for our future high schoolers!

TRANSPORTATION DEPARTMENT SEEKING BUS DRIVERS

Our district's transportation team plays a vital role in supporting our students and families each day, and we are currently seeking dedicated individuals to join the team as bus drivers and substitute bus drivers.

Bus drivers are an important part of our school community. They are often the first and last school staff members our students see each day, helping ensure they arrive at school and return home safely. Our transportation staff members build positive relationships with students and families, while providing a safe and reliable ride to and from school.

To learn more about these opportunities, please visit our job listings page at https://smfcsd.schoolspring.com.
