Jr. Wildcats Family Newsletter

A Message from the Principal

Dear Goldfarb Families,

Our 3rd-5th graders will take the state standardized test, SBAC, from April 14-24. Results factor into our star-rating.

To prepare, please sign them up for SBAC Camp on Saturdays: March 28, April 4, and April 11. Fifth grade has an additional Saturday on April 18 for SBAC Science prep.

In addition to SBAC Camp, we also sent you reviewers that you could help your students practice. Let's wish them luck! They have been working hard for this assessment.

With appreciation,
Dr. Jane Fernandez
Principal, Goldfarb Elementary School
