6TH GRADE 2026-27 IMS COURSE REQUEST WORKSHEET

After reviewing the CRP PowerPoint and taking the course guide learning recommendations into consideration, circle the courses you plan to take below. Use this as your guide for requesting your courses in Student Access and keep this sheet as a record of your choices.

Remember, once you choose your courses, you will remain in the class **all three trimesters** of the school year. If you enter advanced courses, you are acknowledging you have reviewed the criteria and determined these are the appropriate classes for your student.

Course descriptions and learning recommendations are on the IMS website under Academics/Course Guide.

Instructions for accessing your Student Access account and entering your requests are on page 2.

TO ENTER YOUR COURSE REQUESTS IN STUDENT ACCESS

1. **Log in to STUDENT ACCESS** *(Note: Parent/Guardian account will not work for online course selection.)*
   - On the Issaquah School District website at ISD411.org, click on “PORTALS” and choose “Family and Student Access”
   - On the right, click on “LOG IN TO FAMILY/STUDENT ACCESS”
     - Username: First 4 letters of your last name, first 3 letters of your first name, and your graduation year. Example - Last name: Smith; First name: John; Graduation Year 2032; Username will be SmitJoh32
     - If you do not know your password, click "Forgot your Username or Password?" Password reset information is sent to student Microsoft 365 email address (studentusername@issaquah.wednet.edu). Email can be accessed by logging in at www.outlook.com. Password is the Student Number. If you do not know what your student’s Student Number is, you will be able to find this in Family Access.

2. Click the **Course Requests tile for the 2026-2027 school year**
   - All available courses for your student will be listed on the left-hand side.
   - On the right-hand side, under MY REQUESTS tab, you will notice that Social Studies 6, PE 6 and Health 6 have been preloaded for you. These courses cannot be removed.

   - **ADDING A COURSE:** Click the green “plus” symbol to add a request. You will be adding your choices for the following:
     - Language Arts – Language Arts 6 OR Advanced LA 6
     - Math – Math 1 OR Math 1-2 OR Math 2-3
     - Science - Life Science OR Earth Space Science
     - Elective – One music course OR enter these 3 electives - Art 6, Intro to Leadership, STEM Sampler
     - Example: Highlight Language Arts 6 A and click to add the course. You will notice that B and C have also been added. This is correct as these three sections represent trimesters 1, 2, and 3 of the same course.

   - **REMOVING A COURSE:** To remove a request, click on the course on the MY REQUESTS tab and then click on the red “minus” symbol.
     - If you change your mind, you may go back into Student Access to update your selection as long as the window is open. CRP window is open till 8:00AM on March 18, 2025

   - **SUBMISSION:** Click the “Save Course Requests” button to save your selections.
