

We'd love to have you with us throughout the summer—especially during our Kindergarten Welcome Week!

All summer long, our camp includes routines and activities designed to help rising kindergarteners gain confidence and feel at ease.

During Week 7 (August 3–7), we place extra emphasis on these routines, supporting our incoming CHA kindergarten students as they begin to get comfortable with their future school environment.

Your child will have opportunities to meet new peers who may become future classmates and friends, while building social skills through group play and guided interactions.

They'll also get familiar with daily routines, spaces, and shared expectations.

Together, these experiences help the school feel welcoming, familiar, and exciting, making the transition into the new school year smoother and more confidence-building.
