

The ACSC Morphology Routine

Day	Activity	Student Experience
Day 1	Teach New Concept	Students are introduced to new morphemes through pictures, gestures, and brainstorming.
Day 2	Word & Sentence Dictation	Students practice spelling words and writing sentences using the CUPS+E checklist (Capitalization, Understanding, Punctuation, Spelling, Expansion).+2
Day 3	Three-Part Drill	A multi-sensory review involving visual cards, auditory spelling, and breaking words apart (Morphemic Analysis).
Day 4	Connect to Literature	Students read short passages, highlighting and analyzing how the new morphemes appear in real stories.
Day 5	Application & Assessment	Students demonstrate their mastery through application activities or an assessment.
