Smiles reveal your feelings! They may be helpful, friendly, or tired smiles, but they tell the story of life at good Ole B.U.

People helping out to make school life more fun, more exciting, and more worthwhile!

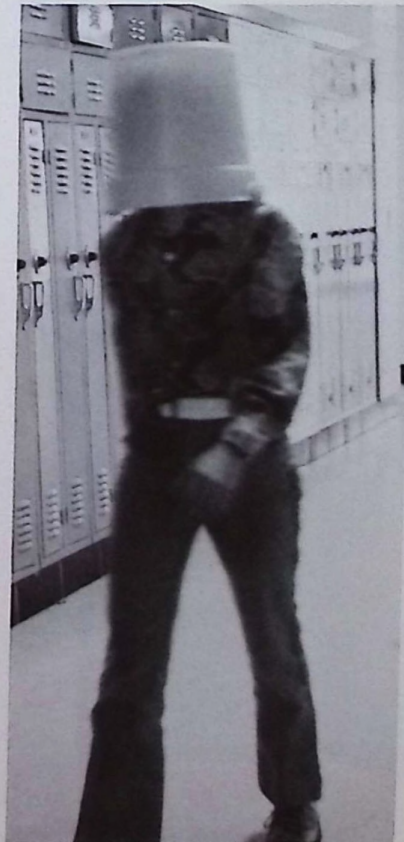

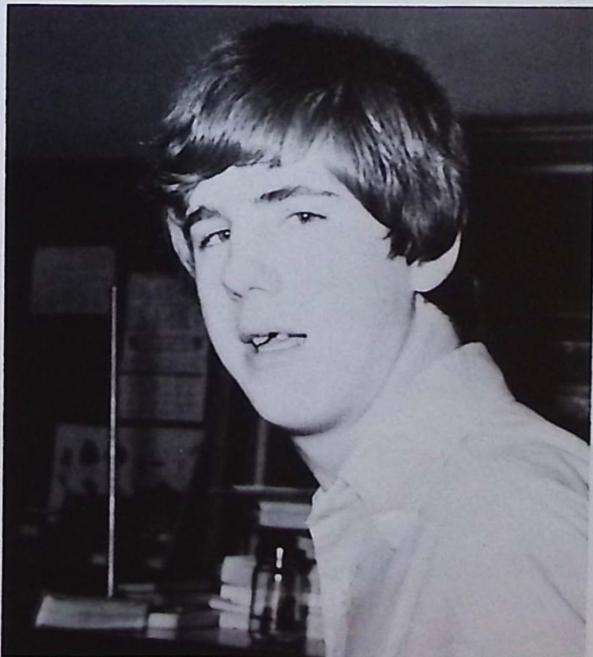

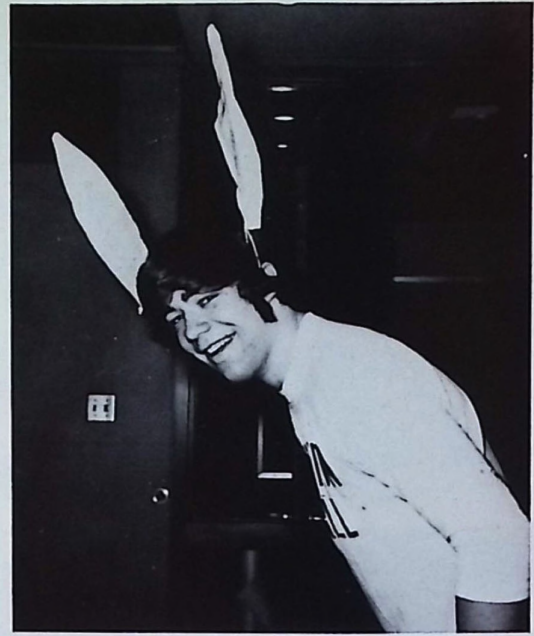

Involvement in extracurricular activities is a big thing at B.U.! Sports for boys and girls and clubs make many memories.

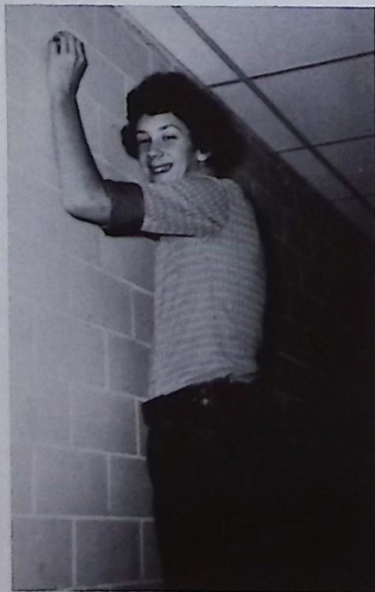

School's good times are all the time, in and out of classes.

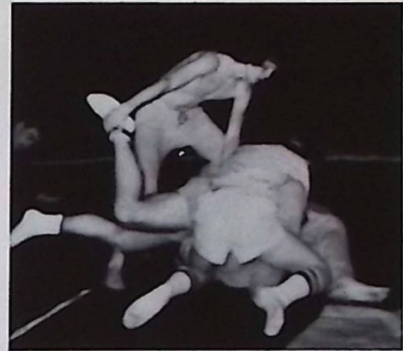

Clubs And

We have all shared times together,
good, bad, fun, sad; but the best times
are the times we've spent together.

**In Memory Of
Ethel Stone
A Member Of The
Senior Class Of 1974**

Friendship and Life are things to be celebrated. This was the way Ethel Stone thought and lived. Her friends were her most valued possessions and she loved life as if each day was a festival. May we always follow her example and keep her memory as a treasure. It is not the quantity but the quality of life that counts.
