## Parent & Family Engagement Plan

### We Create a Welcoming School

Maintain safe, respectful, and supportive environments.

Honor all cultures, backgrounds, and family structures.

Offer events that reflect our diverse community.  
Train staff to build strong family partnerships..

### We Communicate Clearly and Often

We provide clear, easy-to-understand information about:

- Academic standards and assessments
- School programs and activities
- Your child's progress

Communication methods include:

- Email, phone calls, and text alerts
- Parent-teacher conferences
- Newsletters
- Website and social media
- Progress reports and report cards

Translation services are available when possible.

### We Offer Ways to Volunteer

Families are encouraged to:

- Volunteer at school events
- Assist in classrooms
- Join PTO
- Support field trips and activities
- Flexible opportunities are available at school or from home.

### We Support Learning at Home

We provide:

- Grade-level learning goals
- Family workshops and learning nights
- Resources and strategies for home support

Families can help by:

Reading daily

Monitoring homework

Talking about school

### We Include Families in Decisions

- Invite input on school improvement plans
- Conduct surveys and meetings for feedback
- Review and update this plan annually with parent involvement

Your voice matters.

### We Partner with the Community

- Connect families to local programs and resources
- Collaborate with organizations that support children and families
- Align engagement efforts with district goals

### How We Measure Success

Each year we:

- Review this plan
- Gather family feedback
- Identify barriers to participation
- Make improvements based on findings

We are committed to working together to support every child's academic success, growth, and well-being. When families and schools work as partners, students thrive.
