Dear Page USD #8 Stakeholders,

February 26, 2026

In alignment with Page USD #8 vision of ensuring all students have access to appropriate resources that serve their learning needs, the district is in need of reviewing curricular resources for adoption for the following grade levels and/or content areas:

Grade level/Course content	Core Curriculum under Review
Biology Chemistry Earth and Space	Savvas Experience Science McGraw Hill Inspire Science

The above listed resource will be on display for parents and community members to view at the District Office Governing Boardroom starting February 26, 2026 and ending April 30, 2026. Page USD #8 curriculum committee will also review the above listed resource in order to collect input and seek feedback on the following days:

- March 23, 2026- Presentation from Savvas Learning Company- 12:45pm-1:30pm- Page High School Fishbowl
- March 30, 2026- Presentation from McGraw Hill- 12:45-1:30pm- Page High School Fishbowl
- April 8, 2026- Page High School Site Council- 4:00pm-5:00pm, Page High School Fishbowl

Attached to this letter are instructions for electronic access to review the curricular resources.

A final selection will be presented to the Governing Board on May 12, 2026. During the May Board meeting, the Governing Board will vote on whether to adopt the new curricular resource. If you have any questions, contact me at 928-608-4294 or [amartin@pageud.org](mailto:amartin@pageud.org). Thank you for your partnership and your involvement in the education of our school community's youth.

Kind regards,

Dr. Anne Martin, EdD
