February Vacation

Get ready for some relaxation! Scarborough Public Schools will be closed for vacation from February 14th to February 22nd. We hope everyone has a happy and restful vacation during this time. We look forward to welcoming everyone back on February 23rd.

Moving to Asynchronous Remote Learning Snow Days

The district has used all three traditional snow days that were included in the approved calendar!

Any future weather-related school closures for this school year will be **remote learning days**. Students will be expected to complete academic assignments asynchronously from home. Remote learning days will not need to be added to the calendar at the end of the year. There is a [dedicated page](#) on our school website that more fully describes weather-related closures.

Additionally, each school has sent out specific information about the expectations and procedures for those days.

Food Service Plans for Remote Learning Days -

Meals will be provided during **remote learning snow days**. Non-perishable meals have already been sent home in advance with all students for whom a meal has been requested. [Please fill out](#)

[this form](#) to have your child's name added to the list of kids receiving a meal or communicate with us if you believe you signed up previously and have not seen that food sent home with your child.

If you have multiple children, please fill out the form for each child individually. After each remote learning snow day, we will send home another non-perishable meal for possible future remote learning days. You do not need to resubmit on the form again for each remote learning snow day. Once you are on the list you are on it for the winter, if you would like to be removed from the list, please contact your school.
