

# Mt. Pleasant Summer Camp

**Dates:** M-F, 6/17 to 7/28

**Time:** 8:00am to 3:45pm (Open 7am – 4pm)

**Ages:** 5 – 14

**Location:** August Boeger Middle School or Mt. Pleasant Elementary School

**INTRODUCTION TO THE CAMP** - Through hands on technology, students will be doing critical thinking by designing and programming websites. Students will not only be building a website, but they will be learning several essential skills: communication, collaboration, creativity, perseverance, planning and organization. The staff will support students to be creative, problem solvers, and independent thinkers.

**WHAT ELSE!** Students will be engaged with fun, engaging activities in math, literature, science and Physical fitness.

**NEW TO CAMP!** AI Explorers: An Introduction to Artificial Intelligence for Middle School Students

Curious about how AI tools like chatbots, image generators, and recommendation systems work?

In this hands-on course, students will learn how artificial intelligence works, how to use it responsibly, and how it can support learning, creativity, and problem-solving all in a safe, age-appropriate environment.

**AND LET'S NOT FORGET FUN FRIDAY!** Fun activities such as water play, and other fun Friday games!

**Days off:** 6/19: Juneteenth, 7/3: 4<sup>th</sup> of July

7 weeks for ONLY \$750!

(\$25 a day

\$3.12 an hour)

Compared to the other  
camps that are \$381 for 1  
week

**Registration Link:**

**Summer Camp**

**Don't miss this great opportunity! Space is limited so please sign up ASAP! The cost of the 7 week camp is only \$750, that's \$25 a day, \$3.12 a hour. The price includes a free lunch and breakfast for every student and a lot of fun!**
