

EQUAL EDUCATION OPPORTUNITIES

It shall be the policy of the St. Mary Parish School Board that an emphasis shall be placed upon the nondiscriminatory provision of educational opportunities for children. No person shall be excluded from participation in or denied the benefits of any education program or activity on the basis of race, color, disability, religion, creed, national origin, military status, natural, protective, or cultural hairstyle, age, or sex.

The Superintendent shall designate a member of the staff to investigate any and all complaints which may be brought against the district in regard to any alleged discriminatory action. Students who experience less than equal educational opportunities or experience discrimination shall report and appeal any harassment or discriminatory practice to appropriate school officials. Adequate procedures shall be developed and maintained to provide for prompt and equitable resolution of student complaints.
