NEWS

IMPORTANT!

We have seen an increase in requests from students and parents asking administration to review security camera footage to locate lost items.

Please understand that our cameras are in place to support the safety and security of our campus and are not used to track misplaced belongings.

With approximately 1,000 students, reviewing footage is reserved for safety-related concerns. We strongly encourage families to be mindful of items brought to school, particularly expensive or irreplaceable belongings, as teenagers may misplace them during the school day.

Thank you for your partnership in reinforcing responsibility and helping us keep our focus on maintaining a safe learning environment.

Reminder: Beginning January 2026,
all HEB ISD bus riders should have and use a SMART Tag
each time they ride.

While all students are expected to use their SMART Tag,
this requirement will be actively enforced for secondary
students (grades 7–12).

Students who do not present a valid SMART Tag may be
denied bus service, including for athletics, band, and
CTE shuttles.

Replacement SMART Tags can be purchased at your
student's campus office.

For questions, please contact HEB ISD Transportation at
817-399-2441.
