

Mosaics Instructions

Create a mosaic for each puzzle using blue, green, and yellow squares.

Rules:

1. Each puzzle needs at least one blue, one green, and one yellow square.
2. Each puzzle has additional rules on the left side of the grid.
Here are examples of the four types of rules you'll see:

There are the same number of blue and yellow squares.

There are more blue squares than yellow squares.

There are no green and yellow squares that touch (corners don't count).

Every green square touches a yellow square, and every yellow square touches a green square (corners don't count).
