Dear Sequoia Academy Eagle Families!

As we welcome the spring season, I want to take a moment to thank you for your continued partnership and support throughout this school year. The months ahead are some of the most exciting and meaningful of the year, and our team is looking forward to finishing strong together as a school community.

Spring is always a vibrant time at Sequoia Academy. Our students have grown tremendously since the beginning of the year, and it is inspiring to see their confidence, curiosity, and academic progress continue to flourish. As we enter the final stretch of the school year, we remain committed to providing engaging learning experiences where all students feel supported, challenged, and celebrated—values that guide our work each day.

In the coming weeks, we look forward to connecting with many of you during **Spring Parent-Teacher Conferences** from **March 23rd-27th**. These meetings are an important opportunity to reflect on student progress, celebrate successes, and discuss goals for the remainder of the year. Our strong partnership with families is a key part of helping every student thrive.

Another highlight of the season will be our **Open House on Thursday, April 2nd**, where students will proudly showcase the learning, projects, and accomplishments they have worked so hard on this year. This is always a special evening that allows families to see the incredible growth that has taken place in classrooms across campus.

Students will also have time to recharge during **Spring Recess** from **April 6-10th**, and we hope it provides an opportunity for families to relax and enjoy time together.

In **May**, our students in grades 3–6 will participate in CAASPP state testing. These assessments allow students to demonstrate the knowledge and skills they have developed throughout the year. Our teachers have been preparing students with strong instruction and practice opportunities, and we encourage families to support students by ensuring they get a good night's rest and arrive at school ready to do their best.

As we approach the final months of school, we will also begin celebrating many end-of-the-year events and festivities that recognize student growth, achievements, and the special memories made throughout the year. These moments are a wonderful way to honor our students and the strong community we share at Sequoia.

Thank you for being such an important part of our Eagle family. Your involvement, encouragement, and partnership make a tremendous difference in the success of our students and school. We look forward to a joyful and successful spring together!

With Eagle Pride,

Alisha Tardif  
Principal
