SJI INTERNATIONAL SCHOLARSHIP PROGRAMME

LEARN. INSPIRE. SERVE.
Nurturing Leaders, Changing Lives

Rooted in the Lasallian mission to serve the "last, the lost, and the least," the SJI International Scholarship Programme is a transformative gateway for exceptional students to access a world-class education. We seek out young leaders who demonstrate not only academic brilliance but also a profound commitment to our core values: **Learn, Inspire, and Serve.**

By removing financial barriers, we empower diverse talents from Singapore and across Southeast Asia to thrive within our community. Since 2007, with the support of benefactors, over $38 million in fees and costs have been awarded and enabled over 370 scholars to pursue the prestigious IB Diploma and emerge as global citizens dedicated to making a difference.

Join us in building a legacy of opportunity, where merit meets possibility.

The Lasallian Scholarship is awarded up to 4 students every year.

LOCAL SCHOLARSHIP

This scholarship is for Singapore Citizens/ Permanent Residents who wish to enrol on our 3-year programme which includes the Grade 10 (Sec 4) Foundation Course followed by the IB Diploma Programme; or the 2-year programme which is solely the IB Diploma Programme. Up to 3 **merit-based** local scholarships, and 8 **merit-based means-tested** local scholarships are awarded each year.

FOREIGN SCHOLARSHIP

While the majority of our scholarships are offered to deserving Singapore Citizens/Permanent Residents students, we also offer overseas scholarships to students from surrounding Southeast Asian countries as determined each year by SJI International.
