

Expectations for Students (Grades K–2)

When we learn online, we promise to:

Be Kind and Respectful

- Be kind to everyone in our school community.
- Use kind words and good manners.
- Be patient with our teachers and classmates if technology doesn't work perfectly.

Be Ready to Learn

- Charge your device every night.
- Bring home your school materials each day, just in case.
- Be dressed and ready for school (just like we are in the classroom).
- Sit in a safe, quiet spot where you can focus.

Ask for Help

- Tell your parent, teacher, or another trusted adult if you need help.
- Let your teacher know if something isn't working.

Be Prepared

- Have your materials ready (paper, pencil, books, etc.).
- Log in on time with help from a grown-up if needed.
- Follow your teacher's schedule for live lessons and activities.

Be a Good Online Learner

- Keep your camera on so your teacher can see you.
- Keep your microphone OFF until needed.
- Listen carefully and raise your hand (or use the raise-hand button) to speak.
- Participate by answering questions, sharing ideas, and working with classmates.
- Try your best to finish and turn in your work.
- **Adults helping at home must be off screen.**

Remember:

We do NOT:

- Record our class or take pictures/videos without the teacher's permission.
- Use silly names. We use our real name.
- Join a class that is not ours.
- Use pictures or backgrounds that are not school-appropriate.
