Dear Military Family,

Welcome to the Southmoreland School District. On behalf of our Board of School Directors, administration, faculty, and staff, we would like to extend our sincere appreciation for your family's service to our country and a warm welcome to the Scottie community.

Southmoreland School District is proud to support military-connected students and families. We recognize that military families often experience transitions as a result of changes in duty stations, and we are committed to making those transitions as smooth as possible for your child. Our schools strive to provide a welcoming and supportive environment where every student can feel connected and succeed academically, socially, and emotionally.

As part of this commitment, Southmoreland participates in the **Purple Star Schools Program**, which recognizes schools and districts that demonstrate a strong commitment to supporting military-connected students. Through this program, we provide resources and support to help students adjust to new schools and communities.

Our district also takes great pride in honoring military service. At Southmoreland High School, the **Scottie Wall of Honor** recognizes graduates who have served or are currently serving in the United States Armed Forces. Each year, we also host a **Veterans Day program** that brings students, staff, veterans, and community members together to recognize the service and sacrifice of those who have served our nation.

If there is anything we can do to support your child during their transition to Southmoreland, please do not hesitate to reach out. As our Military Family Point of Contact, I am available to assist with enrollment questions, academic scheduling, extracurricular opportunities, and connections to school or community resources.

We are honored to serve your family and thank you again for your service to our country. We look forward to working with you and supporting your child's success at Southmoreland.

Sincerely,

Assistant to the Superintendent
