WINTER-SPRING 2026 | VOLUME 62 | HFHIGHSCHOOL.ORG | @HFHS59  
*A Newsletter for Our District 233 Community*

## IN THIS ISSUE:

- School Safety Updates In Progress and Coming Soon
- Expanding Post-Secondary Career Opportunities for Students
- History-Making Staff Achievements
- And Much More!

# SEMESTER GREETINGS FROM PRINCIPAL ALEXANDER

**The HF High School community is not the special place it is just because of what happens among the campus hallways and in the classrooms--it's because of the unwavering support of district residents like yourself that strengthen our mission and purpose.**

The new year has offered us a fresh start as we continue our commitments to Viking Excellence. Your students and staff at HF are well-settled into 2<sup>nd</sup> Semester, and as we crossed the halfway point of the school year, we are not only sharpening processes and protocols of our day-to-day, but I believe I can speak on behalf of school leadership that we are already deep into planning for the next school year (by the time you're reading this, that's only about five months away!)

As we keep **a bullseye focus on our True North--Diversity & Inclusion--** throughout this issue, you'll learn more about what our school staff and leadership are up to as we continue to make educational equity not just a mere suggestion, but a real-time driving force of our decisions.

I look forward to the remainder of the semester and seeing many of you around campus, and even around town (*don't hesitate to say hello*).

**Dr. Clinton Alexander,**  
*Principal/Director of High School Programs*

# “THOSE WHO EXCEL” MAKE SCHOOL HISTORY

We’re proud to share that **11 HF educators and staff members have been named 2026 Illinois State Board of Education (ISBE) Those Who Excel Award recipients** —the most honorees in the school’s history!

The Those Who Excel program recognizes **outstanding educators and school personnel who demonstrate excellence in teaching, leadership, and service to students and communities across Illinois**. HF’s honorees were recognized across multiple award categories, reflecting the depth and breadth of excellence throughout the school.

*Pictured from left to right: Mylan Reeves, John Manthey, Heithon Hurdle, Beverly Woods-Lenore, Crystal Perez, Anna Tenny, Christina Clark, Courtney Hendricks, Cody Rudnik, Kanoa Mulling, and Gail Smith*

“This historic recognition speaks directly to the talent, dedication, and heart our staff bring to HF every day,” said Superintendent Dr. Jennifer Norrell. “These individuals represent the very best of our profession and the collective commitment we have to student success.”

“These awards affirm what our students and families experience every day — a school community where excellence is expected, innovation is encouraged, and relationships matter,” said HF Principal Clinton Alexander. “We are incredibly proud of each honoree.”

For more information about the ISBE Those Who Excel Awards, visit the Illinois State Board of Education website at [www.isbe.net/Pages/teacher-of-the-year.aspx](http://www.isbe.net/Pages/teacher-of-the-year.aspx)

# 2026–27 BELL SCHEDULE: WHAT FAMILIES NEED TO KNOW

*Homewood-Flossmoor High School will implement a new bell schedule for the 2026–27 school year designed to provide students with deeper learning experiences, consistent routines, and built-in academic support throughout the week. The schedule reflects HF's commitment to preparing students for college, careers, and life after high school while supporting strong relationships between students and teachers.*

## RED & WHITE DAY BLOCK SCHEDULE

Students will follow a rotating block schedule Monday through Thursday that closely mirrors a college class schedule:

- **Monday & Wednesday — Red Days: Blocks 1, 3, 5, and 7**
- **Tuesday & Thursday — White Days: Blocks 2, 4, 6, and 8**

This structure reduces the number of classes students attend each day while extending instructional time, allowing for deeper discussions, collaborative learning, and hands-on projects.

## LONGER BLOCKS FOR DEEPER LEARNING

Core academic blocks range from approximately 80 to 91 minutes, with the longest block allowing time for morning announcements/VTV viewing. The current bell schedule includes 70-minute classes three days a week and 56-minute classes the other two days.

## EXTENDED PERIODS OF THE NEW SCHEDULE PROVIDE OPPORTUNITIES FOR:

- Hands-on labs and project-based learning
- Fewer transitions between classes
- Stronger classroom discussions
- Real-world, Career Pathways-connected learning experiences

# 2026–27 BELL SCHEDULE: WHAT FAMILIES NEED TO KNOW

*Teachers will also engage in professional learning to maximize the benefits of longer instructional blocks.*

## **LUNCH AND SKINNY CLASSES: BUILT-IN ACADEMIC SUPPORT**

Within the midday blocks, students will have a 40-minute lunch period paired with a “Skinny” class session opposite lunch. Students and families have shared that the current 25-minute lunch periods are not long enough for students to get their lunch, eat, and have a brain break in the middle of the day.

## **THE “SKINNY” PERIOD, OPPOSITE OF LUNCH, IS INTENTIONAL AND STRUCTURED TO HELP STUDENTS:**

- Connect with teachers and ask questions
- Receive additional academic support before challenges grow
- Complete extended labs and long-term projects
- Access enrichment opportunities, including ACT preparation and college-credit bearing learning experiences

When used effectively, “skinny” periods can strengthen understanding, improve grades, and reduce academic stress.

Winter-Spring 2026

## **VIKING FRIDAY: WEEKLY ACADEMIC CHECK-IN**

Fridays will feature a unique Viking Friday schedule, where all eight classes meet for shorter periods. This format allows students to:

- Check in with every teacher before the weekend
- Stay organized and on track with assignments
- Reset and prepare for the upcoming week

Think of Viking Friday as a weekly academic “tune-up” that helps students maintain momentum.

# HOW A STUDENT'S SCHEDULE COULD LOOK

## WHY THIS MATTERS FOR STUDENTS AND FAMILIES

The updated schedule is more than a logistical change—it supports HF's broader commitment to student success by strengthening:

- College & Career Pathways and real-world learning
- IB, AP, and Dual Credit rigor
- Internship and hands-on opportunities
- Teacher-student relationships
- Efficient use of instructional time

**Longer learning blocks allow students to explore content more deeply rather than rushing through lessons, while built-in support ensures students have opportunities to seek help and stay engaged.**

## SAMPLE JUNIOR AP PATHWAY WITH ZERO HOUR

# INVOLVING COMMUNITY PARTNERS LIKE YOU

Learning doesn't stop at the classroom door—it extends into the community. Through the International Baccalaureate Career-related Programme (IB CP), our students connect academic rigor with real-world career pathways. **This is only possible because of the incredible support of our community partners.**

## THANK YOU TO OUR PARTNERS

We are grateful to the businesses, organizations, and professionals who say yes to opening their doors to our students. Your willingness to share your time, expertise, and passion is shaping the next generation of leaders.

FLOSSMOOR

## JOIN US IN MAKING AN IMPACT

Are you an HF alumnus, business owner, or professional interested in mentoring the next generation? By hosting an intern, offering job shadow experiences, or leading a career project, you can play a vital role in helping Vikings graduate ready for college, career, and life. Scan the QR code here to share your interest in hosting an intern or career experience.

**Once a Viking, Always a Viking. Together, we prepare students not just for what's next—but for what's possible.**

# ALUMNI POWERING CAREER PATHWAYS

## At HF, Viking pride doesn't end at graduation—it comes full circle.

As HF continues to expand its Career Pathway initiative, connecting students to meaningful, real-world experiences aligned with their interests, our alumni are stepping up in powerful ways. **They are not only returning to inspire—they are helping build the bridge between classroom learning and career readiness.**

We recently welcomed back **Matthius Douglas '24** (pictured here with Business Teacher Mr. O'Neill) as part of our Viking Speaker Series. Just a few years after graduating, Matthius has become CEO of Titan Marketing LLC, leading more than 30 employees, driving growth in global trading, and fostering a high-performance culture rooted in discipline and adaptability.

During his visit, Matthius spoke with students interested in entrepreneurship and personal finance, encouraging them to act on their ideas and invest in their own growth. **He shared how his journey began at HF—reading trading books, studying market trends, and learning through self-initiative while still in high school.** His message resonated deeply: If you have an idea for a business, go for it.

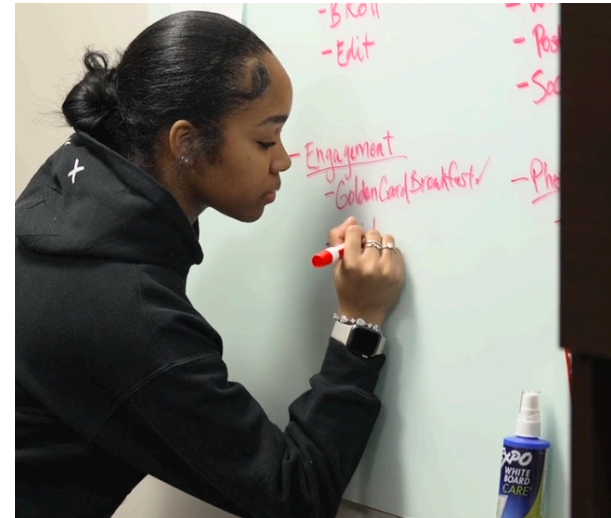

Students engaged him with thoughtful, strategic questions, and mentorship conversations began forming organically. **This is exactly what our Career Pathway work is designed to create—direct access to professionals who can guide, advise, and inspire.**

Matthius is one of many alumni volunteering in the coming weeks to support students across various pathways. From business and communications to health sciences and skilled trades, our alumni are actively helping students explore possibilities, understand industry expectations, and build confidence.

# ALUMNI POWERING CAREER PATHWAYS

Even more exciting, Matthius has expressed interest in partnering with HF to help develop internship opportunities. These types of alumni-led partnerships are critical to our Career Pathway initiative, providing structured, hands-on experiences that allow students to apply their learning in authentic professional settings.

For students like **Communications Intern Sheyenne Countee** (pictured right), this movement is personal. Through her internship, Sheyenne not only witnesses how alumni strengthen HF's legacy of excellence—she helps facilitate those connections. She sees firsthand how relationship-building fuels opportunity and how Vikings supporting Vikings creates momentum for future generations.

***Alumni are already making a difference. The question is —will you be part of the movement?***

If you are interested in:

- Joining the Viking Speaker Series
- Participating in an Informational Virtual Meeting for Alumni Internship Partnerships

We invite you to connect and learn more about how you can support HF's Career Pathway initiative and inspire the next generation of Vikings.

# SCHOOL SAFETY: A SHARED RESPONSIBILITY

**Keeping our school community safe is our most important responsibility—and one we share with each of you. -Dr. Jennifer Norrell, Superintendent**

School safety is not just about doors, drills, or procedures. It is about relationships, communication, and trust. We are safest when students, families, and staff work together, concerns are reported, questions are welcomed, and students and staff feel supported.

Our school takes **a proactive, thoughtful approach to safety that emphasizes prevention, preparedness, response, and recovery.** This includes physical safety measures as well as social-emotional and mental health supports for students.

## SAFETY AUDIT

Since beginning as HF's Superintendent in July, safety has been one of Dr. Norrell's top priorities. The Board of Education approved the implementation of a comprehensive safety audit by a nationally recognized safety firm, including a review of facilities, systems, staffing, policies, and procedures. That audit is currently underway. HF will form a confidential stakeholder safety task force, as we make addressing the findings a strategic priority. **Stay tuned for more information on that and how to directly share your safety comments or concerns.**

## SHARED RESPONSIBILITY

School safety cannot rely on any one solution alone. HF continues to invest in layered supports, strong relationships, and clear procedures to strengthen our campus. We also need our community's partnership. Each of us plays a role in creating a safety net that protects everyone.

# SCHOOL SAFETY: A SHARED RESPONSIBILITY

## STUDENTS, FAMILIES, AND STAFF SUPPORT SCHOOL SAFETY BY:

- Knowing what students and their peers are involved with and have access to.
- Talking about the importance of speaking up when something doesn't feel right.
- Encouraging the reporting of safety concerns.
- Reaching out to the school with questions or concerns—no issue is too small.

## COMMUNICATION

In emergency situations, HF is committed to communicating clearly and calmly so families understand what we are doing and why. Our emergency response communication protocol outlines what families, students, and staff can expect.

We also ask for your help in supporting responsible communication. In safety situations, information may need to be verified before sharing. Avoiding rumors and relying on official school communication helps ensure accuracy and protects student privacy.

Our goal is simple: a safe, caring, and supportive school where every student and staff member can focus on learning and growing. We are grateful for the trust you place in us, and for the partnership we share in keeping our school community safe.

# OUR NEW LEADERSHIP IN SCHOOL FINANCE

## **Toriano Horton hired as Assistant Superintendent of Finance and Operations/Chief School Business Official, starting July 1<sup>st</sup>.**

The District 233 School Board approved the hiring of **Toriano Horton as Assistant Superintendent of Finance and Operations/Chief School Business Official**. He will begin in this role on July 1, 2026.

**Dr. Lawrence Cook** is retiring from the position at the end of this school year, following 24 years of leadership at HF, including CSBO, Associate/Assistant Principal, Department Chair, Math Teacher, and Coach.

Horton brings more than **25 years of experience in public finance, auditing, and educational leadership to the role**. He has overseen more than 600 school audits, implemented remediation plans, and led a multi-million dollar RFP process ensuring transparency and compliance at every level.

He has served Thornton Township High School District 205 since 2016, most recently as Assistant Superintendent of Finance and Operations, where he has led the district's financial planning, budgeting, and operational oversight. His leadership has **supported sound fiscal stewardship, strengthened internal controls, and ensured alignment between financial resources and student-centered priorities**.

Horton earned a Master of Science degree in School Business Management from Northern Illinois University and a Bachelor of Science degree in Accounting from the University of Illinois at Urbana-Champaign.

We look forward to Mr. Horton joining the Viking Family this summer!

## District 233 Board of Education

President  
**GERALD PAULING II,**  
HF Class of '85

Vice-President  
**NATHAN LEGARDY**  
HF Class of '89

**PAM JACKSON**

**ARIANA LEONARD**

**CAMILLE O'QUINN**

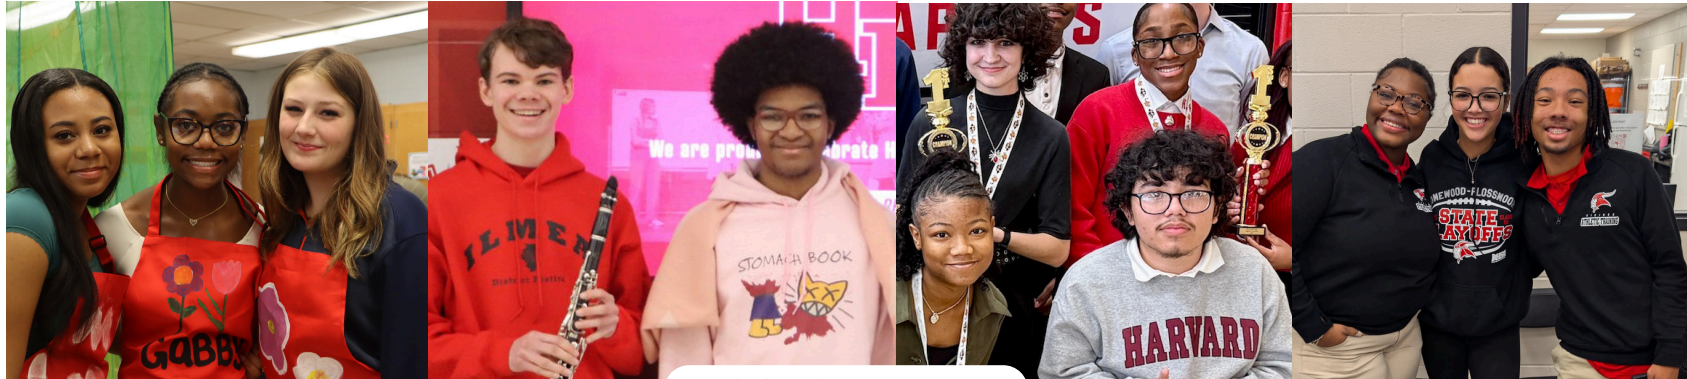

**CHRIS RIEDEL**

**TAMEKIA SMITH**

*District 233 Board of Education members are elected to serve a four-year term; they must be residents of District 233. Board members complete the Illinois School Board Member Leadership Training. The four-hour training addresses topics in education and labor law, financial oversight and accountability, and the fiduciary responsibilities of school board members.*

### VISION STATEMENT

*Let here prevail the greatest expectations in academics, civil responsibility, and personal growth within a diverse community.*

### MISSION STATEMENT

*The quality of each student's life improves through the educational experience at Homewood-Flossmoor Community High School. The institution upholds the highest standards of intellectual growth, and ethical, aesthetic, occupational, emotional, social, and physical development in an expanding global society. With belief in the fundamental worth and dignity of all individuals and recognition of diversity of backgrounds, abilities, interests, and aspirations, individuals will learn to respect the rights of others.*
