

March 9 2026

At Little Stangs Learning Center, we value the strong relationships children build with their teachers and classmates. As we move into March, we are excited for another month filled with learning, laughter, and opportunities to grow together.

Staff Updates

We are grateful for our amazing team who care for and support our Little Stangs every day.

Infant Room: Little Stangs Teaching Team

Toddler Room: Emily, Lead Teacher and Site Manager; Ashley Burmeister, Assistant Teacher

Preschool Room: Ashley Wiggins, Lead Teacher; Haley, Assistant Teacher

Nutrition and Housekeeping: Jen, Dietary Aide and Housekeeping Lead

Spring Reminders

March weather in Minnesota can change quickly! We will continue to go outside for fresh air and play whenever possible.

Please send:

- A labeled coat or jacket
- Hat and mittens
- Snowpants for colder mornings
- Weather-appropriate layers
- Updated extra clothes that fit and match the season

Health Reminder

The cold and flu season can still linger this time of year. If your child is feeling unwell, has a fever, or has persistent coughing, please keep them home to help keep everyone healthy.

Thank you for helping us keep our classrooms safe and supportive for all children. We appreciate your partnership and look forward to a wonderful month together!

Sincerely,
Logan Swann
Superintendent
Buffalo Lake-Hector-Stewart Schools
