BETHEL

Dear Parents/Guardians,

Bethel Public Schools will provide the Early Identification Screener (EIS) for the 2026-2027 school year to aid the district in determining student needs and providing prevention programs. The screener questions are available to view on the district's website. Printed copies are also available by request. The student's homeroom teacher will complete screenings for Kindergarten through 4th grade students, while the students themselves will complete screenings for 5th through 12th grade.

We are requesting permission for your child to participate. You may choose to withdraw your child from the screening at any time. This is NOT a psychological evaluation; the information will NOT be included in your child's permanent academic records. This information will help Bethel Schools with the mental health needs of students who need improvement.

If you have any questions concerning your child's participation, please contact us at your earliest convenience.

Sincerely,

Darcey Adamek, M.S., LPC, LMHP
