POST FALLS
SCHOOL DISTRICT #273

Welcome Our New Elementary School Resource Officers!

We are pleased to introduce our new Elementary School Resource Officers (SROs), serving our district in partnership with the Post Falls Police Department. They have been delighted by the warm welcome from students, who have been open, curious, and eager to ask questions.

Officer Ash Morgan covers the elementary schools on the east side of the district and has been with the department for two years. As a father, he understands how important children are to their families and was drawn to the SRO role to help protect and support students.

Officer Allyssa Sjolie serves the west side elementary schools and New Vision High School. She has been with the department for two and a half years, with prior experience in Spokane, and pursued the SRO position to build positive relationships and serve the community.

Both officers recently completed a week-long SRO training in Boise focused on community interaction, mentoring, and public safety.

NOTE: Due to the closure on December 17, school will be in session on Friday, May 29th as a make-up day.

Reverse Job Fair

The Reverse Job Fair, hosted annually by the Post Falls Chamber of Commerce Business & Education Committee, connects local high school seniors with area business professionals while helping students complete Idaho's senior project graduation requirement.

Since 2007, the event has given students the opportunity to explore career pathways, research future goals, and practice professional skills.

At the fair, students present themselves to business professionals with a resume, cover letter, and presentation board; participate in a 10-minute interview matched to their career interests; and receive valuable feedback that is shared with both students and teachers to support their career readiness.

We invite you to volunteer at the Reverse Job Fair on March 25 from 12:30 PM to 2:30 PM @ Real Life Ministries in Post Falls, ID (1860 N. Cecil Rd, Post Falls, ID 83854) to conduct interviews, provide feedback, and offer guidance to our seniors as they prepare for their futures.

*** As a reminder, our parent newsletter continues in its refreshed one-page, monthly format. ***
