The mission of the Strasburg School District is to develop resourceful, responsible, and resilient engaged citizens who are empowered in a safe learning environment for all to achieve their full potential in an evolving world.

## **Diversity and Inclusion Statement:**

Strasburg School District honors human rights, celebrates diverse cultures, fosters a climate of mutual respect, and promotes an inclusive learning environment that affirms the value of all persons. Dimensions of diversity can include sex, race, age, national origin, immigration status, ethnicity, gender identity and expression, intellectual and physical ability, sexual orientation, faith and non-faith perspectives, socio-economic class, political ideology, education, primary language, family status, and military experience. Reasoning, thoughtfulness, and open dialogues that honor the dignity of everyone is expected.

## **Strasburg Elementary Vision Statement**

At Strasburg Elementary School, we believe every child has the potential to lead, to grow, and to shine. We meet students where they are—academically, socially, and emotionally—and guide them with compassion, challenge them with purpose, and empower them to become confident leaders in and beyond the classroom. Our mission is to nurture resilient, curious, and joyful learners who will shape a brighter future for themselves and their communities.

## ENROLLMENT & WITHDRAWAL

### Colorado Mandatory Immunization Law

Immunizations are an important part of our children's health. Colorado law requires that children going to school be vaccinated to prevent vaccine preventable disease. All children entering Colorado elementary schools for the first time (e.g. kindergarten and out of state transfers) must show proof of immunization. Please go to [www.cdphe.state.co.us/dc/immunizatons](http://www.cdphe.state.co.us/dc/immunizatons) for the most up-to-date information about what shots are required for specific age or grade level groups \* (see attachment 1).

A student may be exempted from receiving the required immunizations in the following manner:

A) A *medical* exemption signed by a licensed physician stating that the student's physical condition is such that immunizations would endanger life or health or is otherwise medically contradicted; or

B) A *religious* exemption signed the parent, guardian, or emancipated student that the student adheres to a religious belief opposed to immunizations; or

C) A *personal* exemption signed by the parent, guardian, or emancipated student that the student adheres to a personal belief opposed to immunizations.

Please see **Immunization of students-** [JLCB](#)

### Kindergarten Entrance Requirements

Any child who is five years of age prior to **August 1<sup>st</sup>** is eligible to enter kindergarten. To register, the parents/guardians must provide the child's birth certificate, proof of immunization, social security number and proof of residency (i.e. utility bill).

Strasburg Elementary School will enroll students in kindergarten if they are five years old before August 1st of the enrolling school year. To register, the parents/guardians must provide the child's birth certificate, proof of immunization, social security number and proof of residency (i.e. utility bill). Exceptions to this policy will not be made, ensuring consistency and alignment with district and state guidelines.

## Registration

Registration is on-line through the district website. The registration form should be filled out in detail and, in particular, parents should give telephone numbers of place of employment of both the parents, **and** a person the school may call if the parent cannot be reached by telephone. It is the parent's responsibility to provide an accurate address and telephone numbers (emergency, etc.) and periodically update the information. Any disability or allergy should be noted on the health update form. **STUDENTS MUST HAVE CURRENT EMERGENCY NUMBERS AT ALL TIMES.** Parents/guardians must come into the school and provide the child's birth certificate, proof of immunization, social security number and proof of residency (i.e. utility bill). Students may begin school 48 hours after all registration forms are complete and staffing needs are identified. Please be aware of the **Interdistrict Choice/Open Enrollment Policy** [JFBB](#)

## Withdrawal before the End of the Term

The Elementary School should be contacted at least one week prior to parent's departure from the school district in order that report cards and transfer cards may be prepared. It is the usual procedure for the new school to obtain your signature on a "Request for Records" form of some kind, and send it to us, so that we can send your child's records directly to the new school.

## **ATTENDANCE & TRANSPORTATION**

### **Attendance**

One major criteria of a student's success in school is regular and punctual attendance. Frequent absences and tardiness may lead to poor academic work, lack of social development and possible academic failure. Regular attendance is of utmost importance for school interest, social adjustment and scholastic achievement. A child can never make up a day's experiences he has missed even though he may complete the assignments that were presented. The discussions that take place in the classroom are often more valuable than the written material. Excessive absenteeism may affect the student's chance to participate in certain interventions.

At **5** unexcused absences or tardies, administration will contact you to make you aware. At **10** unexcused absences or tardies, the administration will send a letter home informing you of the number. Excessive absenteeism (**15** days or more in a year/ 4 days in a month) and/or habitual tardiness (**15** tardies or more in a year) will be considered a serious matter and may lead to administrative and board action, retention and referral to legal authorities. Please be aware of the **Truancy Policy –[JHB](#)**

**Excused (EXC)** – Do not count toward the 10 absences allowed per year. Example: doctor and dentist appointments, funerals, or court appearances (please provide paperwork whenever possible).

**Verified (VER)** – Count toward the 10 absences allowed per year. Absences verified by the parent, but do not fall under the guidelines as set above for excused absences.

**Unverified (UNV)** – Count toward the 10 absences allowed per year. Nature of absence has not yet been determined.

**Tardy-** Arriving after 7:55 to SES.

**Habitually Truant (Student Count):** A student is counted as habitually truant if the student has four unexcused absences in one month and/or 10 absences in one school year.

**Chronically Absent:** A student absent 10 percent or more of the days enrolled during the school year is chronically absent. All absences are included – unexcused, excused and suspensions. The rate is the percentage of students enrolled who are chronically absent.

## Absence Notification

A phone call from the parent to the school is requested before 9:00 a.m. on the morning of the absence. If we do not receive a call, the elementary office will call the parents at home to try to confirm the reason for the child's absence.

## Arrival/Departure Times

Please note that supervision begins at 7:30 am on the playground and ends at 3:40 after school. **For their own safety, please do not drop your children off earlier than 7:30 or pick them up later than 3:40.**

## Day Check-out Procedure

Please check your child out through the office and sign them out in the Early Dismissal book located in the office. **School personnel will send for or go get children who are checking out for the day.**

## Parent Authorization for Student Pick-up

No child will be taken from a class or from school by anyone other than a parent or guardian without the parent first supplying a note giving written permission for such. If you find that you need to send someone to pick up your child at the last minute, please notify us as soon as possible by telephone before the time the child is to be taken from school. This way, we will know that someone other than the parent is authorized to pick up the child. Please advise the check-out person of our check-out procedure; identification will be required.

## Parking

Please follow all posted signs and drive slowly in the school zones on Strasburg Road and in the parking lots. **Please pay close attention to our crossing guards** and be courteous to all staff providing assistance. Model the proper use of our crosswalks for all our students. Make sure students enter and exit the vehicle on the curbside. The entrance for car drop-off is from Colorado Ave. Both the Elementary main lot off Strasburg Rd. and the lot east of the high school off Colorado Ave. are available for your use when parking at the building.

## Pets

Strasburg Elementary does not allow personal pets on the premise at any time. If a student wants to bring a pet for Show and Tell, please bring a photo instead.

## Use of Tobacco on School Premises

The use of tobacco in any manner is prohibited by policy at all times in the school buildings and on school grounds. Please help us to implement this policy while in attendance of functions at school and while accompanying your child on a field trip or other school-related function, or waiting for your child in your car. Please be aware of the **Tobacco Free Schools Policy** –[ADC](#)

## BUS TRANSPORTATION

Bus Transportation is arranged with the school by the parent at the time of enrollment or whenever a change to home residence occurs.

The district's Director of Transportation makes the bus assignments for our students.

**PLEASE NOTE:** STRASBURG SCHOOL DISTRICT WILL TRANSPORT ELIGIBLE STUDENT RIDERS ONLY FROM THE STUDENT'S PRIMARY BUS STOP TO SCHOOL AND BACK TO THE PRIMARY BUS STOP. ANY requested exception to this rule must be made to the Director of Transportation at Strasburg Schools ahead of time.

## **DISCIPLINE STEPS FOR BUS MISBEHAVIOR**

1. Minor Infractions:
  - a. Verbal warnings will be given to the students by the bus driver to stop the detrimental behavior. Drivers will reinforce the rules to students. If this does not solve the problem
  - b. The driver will write a referral, and a conference will be held between the offending students, driver, Transportation Director, and/or Principal of the school the student attends. The student is warned by the Principal and a copy of the report is sent to the parent(s). Included in this warning is the statement that a second referral may result in a 10 day suspension of bus privilege. The Principal issues the suspension.
  - c. A second written referral may result in a suspension of bus privileges for 10 days. A report is sent to the parent(s) stating the 10 days suspension and that a third report would mean that the student could lose his/her bus privilege for the remainder of the year. The principal issues the suspension.
  - d. A third written report may result in suspension of bus privilege for the remainder of the year. He/she and parent(s) are informed that the student may be re-instated only by the Superintendent.
2. If a major infraction occurs, such as fighting or vandalism and other such activities, the driver shall pull the bus off of the road and stop the activity. The driver may call law enforcement if the infraction warrants. The driver will then proceed on the route. When the stop for the student is reached, the driver shall inform the student that he/she is suspended from the bus until further notice. The Transportation Director shall be notified as soon as practical.
3. The Principal will talk with the student(s) involved and get his/her side of the story. He/she will then make a decision as to what action will be taken. He/she can suspend the student from the bus for any length of time or may refer the case to the Superintendent. Eventual suspension can range from a few days to

a year. No set rules can be made for major infractions because the cases will vary and the students are different.

4. All suspensions of bus service will follow minimal due process procedures.

Please be aware of **Student Conduct in School Vehicles Policy – [JICC](#)**.

## **EMERGENCY PROCEDURES**

Strasburg 31J has adopted the Standard Response Protocol, which provides protocols for weather and safety. Should such severe weather or safety conditions exist that dismissal would endanger the safety of students; the school will hold the students at school until conditions allow safe dismissal.

### **WEATHER**

#### **Tornado (Shelter in Place)**

In the event of a tornado watch being in effect at the time of regular dismissal, the students will be dismissed as usual. The buses will run at the regular times, but in conscientious contact with the school bus station.

If the tornado watch is upgraded to a tornado warning, all students will be taken to their assigned shelter. They will remain in the shelter until we are officially notified that the warning has been canceled for our area. If we are in the shelters at the time of regular dismissal, we will remain there until the warning is lifted. Students will not be released to anyone but their parents, and then only if the parent writes a note that they are picking up their child and assuming responsibility for their safety.

Buses will be radioed if a tornado warning is in effect. The students will be taken to the nearest shelter if time permits, or if necessary, shelter will be taken in a ditch.

#### **Severe Thunder/Lightning**

Students that must walk home may be held at school should lightning be so severe that it presents a reasonable hazard to their safety.

#### **Severe Rain/Snow**

In the morning, students will have indoor arrival.

In the afternoon, students getting picked up will wait in the corridor outside of the gym. Students WITH siblings at SES will wait together in the corridor. Once a car has arrived, the students will exit the corridor from the south door by the gym to the car pick-up lane.

## **SAFETY**

### **Hold**

In the event of needing a hallway or location to be cleared in the building, a hold may be initiated. Events that dictate a hold to be called may include: vomit, student health situations, dangerous animals in a building, spills, etc.

### **Secure**

All buildings in Strasburg 31J will have exterior doors locked during school hours. A secure will be initiated if there is an outside threat. In the event of a secure, all students and staff will stay in the building, exterior doors will be checked, and nobody will be let in or out of the building unless told otherwise by law enforcement. Events that may dictate a secure to be put into place may include: dangerous animals in the area, high-speed chase through town, etc. Local law enforcement agencies may inform schools about outside threats to initiate the protocol.

### **Lockdown**

A threat inside the school building will initiate a lockdown. All interior classroom doors are locked during the school day. Lockdown procedures include: teachers closing classroom doors, placing students in a location not be seen from interior windows, and keeping students quiet. Law enforcement will release students and staff from their safe locations and lead them to a defined evacuation location for reunification. Nobody will be allowed to enter the building during a lockdown.

## **PARENT INFORMATION**

### **Breakfast and Lunch**

Breakfast will be served in the cafeteria daily from 7:30-7:50am. **Breakfast and lunch meals are free this year. Even though there is no cost for breakfast and lunch, we are requesting that all parents fill out a [Free and Reduced Meal form](#).** This can be obtained from the front office or cafeteria staff. Federal Law has mandated that schools have a Wellness Program for the purpose of promoting “Healthy” habits. The Strasburg School District is no longer providing access to the purchase of soda or pop during the school day on school grounds. In keeping with the idea of establishing healthy habits, we are asking that lunches from home **NOT** contain soda pop. Other beverage suggestions might include milk, water, or juices. Milk is available for purchase with or without a school lunch.

### **Communication**

Keeping an open line of communication with parents is extremely important to us. We know that students are more successful when parents and the school cooperate to provide the best learning environment possible. We welcome any input from you and encourage you to contact us about any questions or concerns you have regarding your child’s education. If you have a question regarding a specific issue in the classroom please contact the teacher directly by calling the school office and making an appointment, or you may make arrangements with the teacher by leaving a voicemail or an email. Teachers may be available by phone before 7:45 AM or after school is over - teachers are not able to leave their classrooms during the day unless there is an emergency. If you continue to have questions or concerns after speaking with the teacher(s), and you need to speak to an administrator or have questions about a particular school policy please feel free to call the school office. Administrators are also available by appointment.

Translation and interpretation services are available to families. Please notify the school office if you are in need of such services.

### **Fundraising**

Strasburg Elementary School does two big fundraisers a year. This fundraiser is conducted for the benefit of our elementary students. Its purpose is to enrich our

elementary students' school experience and/or their school environment. Reporting of the expenditure of these funds is done through the school newsletter and school accountability reporting.

Other, smaller fundraisers may be done through the year for specific causes (i.e. events to raise money for the Music program's annual play). If a fundraiser takes place, the purpose will be advertised.

### **Lost or Damaged Books**

A fee will be assessed for lost or damaged books equal to the total replacement value of the book. The fee may relate to books from the classroom or Strasburg Elementary Library. You will be notified of the total cost by the school.

### **Lost and Found**

Our Lost and Found box is located on the North end of the building, just beyond the double door exit on the way to the intermediate playground. Unclaimed, unmarked articles will be turned over to a charitable organization every trimester.

### **Parent Contact**

If you need to get a message to your child at school, the office secretary will relay it for you. Students are allowed to call parents or guardians only, and only if it is **extremely** important or an emergency. Students must get permission from their teacher and **may only make calls from the office**. There must be a valid emergency for a student making any call, such as illness. **We will not allow students to call home to make sudden changes to after-school plans or for forgetting their lunch, as hot lunch is provided. Students may not use cell phones on the School Campus.**

### **Parent/Teacher Conferences**

Parent/Teacher conferences are held twice a year as noted on the district calendar and on our website. Watch the newsletter for sign-up information. To schedule a parent/teacher conference, call the front office and they will sign you up for a date/time that works best for you. If you would like to meet with your child's teacher at any other time, please contact the teacher to schedule an appointment.

### **Personal Items: Bicycles, Roller Blades, Skateboards, etc.**

The school can assume no responsibility for stolen or damaged personal items. We recommend bikes be registered with the Sheriff's Department and padlocks provided for

them. Bike racks are available. Modes of transportation can be used to and from school, before and after school only and **not** on school grounds.

## **Personal Items: Toys, Cell Phones, iPods, and other Electronics**

We strongly encourage these items remain at home. In particular, personal communication devices are not necessary, as our students are supervised and students, parents and staff have access to school phones. **Students bring these items to school at their own risk.** The School District, its Faculty, and Staff are not responsible for any damaged, missing or stolen items. The School will not utilize administrative time to investigate any incident involving damage, theft, or missing items. Nor will the district take any financial responsibility for the items.

Should you and/or your student choose to bring these items to school, cell phones, iPods, and Mp3 players must be turned off and in backpacks from 7:55 -3:40 or off campus.

Use of cell phones may result in confiscation of the phone, notification to parents, and release of phone to parents. Inappropriate use may include possible police referral and disciplinary action. Please see more information on JICJ [Student Use of Cell Phone and Other Personal Technology Devices](#).

## **Requesting a Teacher for Student Classroom Placement**

The Strasburg Elementary teaching staff and building administration have the responsibility to assign students to classroom teachers. It is important to understand that assignment is a complex process with many elements taken into consideration when initially placing a child in a classroom or when selecting a placement for the next year.

Grade-level teacher teams look at student academic strengths/areas of growth, learning styles, peer social relationships, the need for structure, any necessary behavior supports, prospective teacher's teaching styles, class size, gender balance, and equity in classrooms as mandated by state and federal regulations in addition to other unique individual concerns.

The teaching staff understands the classroom setting, knows how the students operate within it, and know their colleagues. Teachers must balance the needs of 80+ students in a grade level with 4 teachers using this complex process, and therefore are not able to open this placement process to our larger community.

We respectfully ask that you trust the decisions made by the teaching staff. If you have a concern that may not be known by your child's teacher, please speak with her/him. Often, if you have a reason for wanting placement with a certain teacher, your child's current teacher may agree with you. If this is the case, the teacher will make a recommendation for placement that concurs with your request. If, however, you feel strongly about a placement that is not in line with teacher data, you may put your request in writing for the administration to consider. Requests must be in writing and include current academic data to support the request being made. These requests are to be made no later than April 1<sup>st</sup> for consideration of placement for the following year. Please note that the final decision for placement is always made by the building administrative team in coordination with the current grade level team.

## Security

Our school is a safe place to be and we have had very few incidents of severe misbehavior by any of our students. While school violence is rare, we can never be too careful when it comes to protecting your children and our staff. There is a district crisis plan in place for emergency situations that has been reviewed by the local Sheriff and Fire Departments and is updated each year. Drills on procedures for these crises are practiced each quarter with faculty and students.

**The most important and effective strategy to prevent a crisis situation on campus is for our students and community members to report any weapons and/or suspicious or dangerous behavior to a staff member and/or the Sheriff's Department immediately.** There is also a state hotline available to report threatening or dangerous behavior-it is called Safe2tell and the phone # 1-877-542-SAFE. If someone threatens another person or our school we can prevent a serious incident from occurring if we are informed right away. It is also important to tell us if someone is being mistreated, is depressed, or is talking about harming oneself. Telling a staff member is not "tattling"- it is taking action to help others and helping to keep our school safe.

For the safety of our students and staff the following procedures are in place:

- ALL VISITORS MUST IMMEDIATELY REPORT TO THE OFFICE. All visitors will receive a visitor label to be worn throughout the building. Strasburg 31J utilizes Raptor, which is a visitor management system. All visitors will be required to produce a form of identification upon the first visit. A label will be printed off with the visitor's name and destination.
- ID'S ARE CHECKED IF THERE IS ANY QUESTION ON THE IDENTITY OF A PARENT/GUARDIAN WHO WANTS TO REMOVE A STUDENT FROM SCHOOL. If you check your student out of school we will ask you to provide

identification and will check to make sure you are on the approved list of emergency contacts if there is any question regarding your identity. Please help us by providing this identification willingly even if you are a familiar face in our community.

- MAIN LOBBY ENTRANCE. This entrance is accessible by buzzing in and stating the reason for entrance. This is the **only** entrance that visitors can access the school from.
- ALL OUTSIDE ENTRANCES ARE LOCKED DURING SCHOOL HOURS
- BUZZ-IN DOORS. When you enter the front foyer of the school, to the right is a buzzer and staff will gladly let you in after you identify yourself and purpose.
- CAMERA SYSTEM: A camera system monitors our facilities.
- LOCKDOWN PROCEDURES; We have levels of lockdown to use when necessary. The district has an appointed spokesperson that will be responsible for disseminating appropriate and timely information as the situation dictates.
- EVACUATION PROCEDURES: We have specific plans on how to evacuate our building in case of an emergency in the building and specific procedures for evacuating the campus, if necessary. Parents will be notified using the contact number given to us on enrollment papers. You are asked to update this for us each year as school starts and immediately upon changes to this information.

## Student Dress Code

Students shall maintain an appearance and dress which has no detrimental or disruptive effect on the educational program of the school. Students shall dress in a clean and neat fashion, so as to reflect positively on the school and community. The following attire is absolutely not allowed:

- Clothing that bares the midriff or reveals any underwear apparel (i.e. spaghetti straps).
- Clothing that is shorter than mid thigh length.
- Clothing that displays any depiction of alcohol, cigarettes and/or drugs.
- Clothing that has any obscene language or that is considered offensive towards others.

**A student will be asked to change clothes upon violating this [dress code](#).**

Other Dress Code Notations:

- Please dress your student(s) appropriately for the weather. While we do strictly monitor the weather conditions outside, students will often play outside in weather requiring warm apparel. Please be sure your student is properly equipped with a winter coat, hat and gloves when necessary. Students will have

recess outdoors as long as the temperature (including windchill) is at least 20 degree fahrenheit.

- All students receive Physical Education (P.E.) and are required to wear tennis shoes. The maintenance of our gym floor is important to many programs in our school and within our community. Students must have a pair of “rubber-soled tennis shoes” on all days in which they attend P.E. in order to participate.

## Visitor and Guest Procedures

All schools in Strasburg 31J have implemented Raptor, which is a Visitor Management System. When a visitor wants to come into the building, they will be required to provide a form of identification for the first time of entry. Raptor does a screen of the identification to flag any offenders who should not be in the building. Once screened through Raptor, the visitor will be provided a label with their picture, name, and destination for the visit. Visitors will only have to provide a form of identification the first of each school year. When anyone other than staff or students enter the building, we require you to come in the front door, sign in at the office as a visitor, and put on a name tag. This will allow staff to identify anyone in the building and will help make our school safer.

Please do not bring preschool children or infants with you, as younger children often distract both the visitor and the class. To ensure a successful visit, please schedule your visitation with your child’s teacher, 24 hours in advance and stay for no longer than approximately 30 minutes. We will require this for any parents who are walking students to the classroom (morning) or picking students up from the classroom (afternoon). We prefer that parents DO NOT walk students to and from the classroom but instead, utilize our drop off zones at the front of the building. We have staff members assigned to support your child getting to and from where they are supposed to be. Please be aware of the [School Visitor Information -JK](#)

## Volunteer Parents

Our individualized curriculum demands an optimum of individual attention to each student. Volunteer parents provide a valuable means of making this need a reality. Parents interested in volunteering at the school (in classrooms, on field trips, etc.) are asked to complete a **Parent Volunteer Agreement** on the school website and then contact a classroom teacher. A PVA must be filled out every school year. Volunteers will be held to the same code of ethics as a paid employee. Please ask us for a copy of the procedure for volunteering.

## **HEALTH SERVICES**

Parents will be called when there is a serious accident or a contagious illness that requires parental notification as outlined in CDE state health regulations and SES policy guidelines. Basic First-Aid supplies (Band-Aids, gauze, etc.) are available throughout the school. No injured or sick child will be sent home until the parent or another responsible person has been notified. If the child appears to need medical attention and neither parent nor the designated contact can be reached, ambulance service will be requested.

Due to increasing legal implications, the issue of dispensing medication in the school has become a critical one. **We are mandated by law to obtain written permission from your doctor to administer ANY medication (including non-prescription medicines) to your child. Blank permission forms have been included at the back of this handbook for your convenience.** \*\* (see attachment 2)

MEDICATIONS AT SCHOOL: Prescription medications are administered at the school only when the proper form is completed and signed by both the physician and the parent/guardian. A substitute form **from the physician** is permissible if it includes the following:

- the name of the student
- the name of the medication
- the dosage
- the purpose of the medication
- how many days it will be given

The medication must be in a container appropriately labeled by the pharmacy or the physician and brought to the office by the parent/guardian. **Please do not send medications with your child to be turned into the office.**

**Non-prescription medications** are not administered at school without a permission form signed by a physician and a parent, thereby making it a prescription medication. It must be in its **original container**. This includes Tylenol, cough drops, cough syrup, or any other over-the-counter medication.

Parents are responsible for providing the proper permission from the physician and the medication. All unused medications will be returned to the family at the end of the school year. New permission forms are required at the beginning of each school year.

Please see [Administering Meds to Students-JLCD](#) and [Students with Food Allergies- JLCDA](#)

## Mandatory Reporting

This school district complies with the Child Protection Statutes. To that end, school official or employee who has reasonable cause to know or suspect that a child has been subject to abuse or neglect or who has observed the child being subjected to abuse or neglect, as defined by statute, shall immediately report or cause a report to be made to the county department of social services and local law enforcement agency. Please see [Reporting Child Abuse/ Child Protection](#)- JLF Information.

## REPORTING STUDENT PROGRESS

Report cards will be sent home at the end of every trimester. Progress will be communicated via paper copy, e-mail, or phone call whenever a concern arises. Reporting student progress is done with a standard/referenced system. This system benefits students by better detailing their progress and connecting our use of this system with the direction of the state's assessment of standards. Parent/Teacher conferences will be helpful for parents to see how a standards/referenced reporting system are similar and different to a traditional grading system.

## Homework

Our students need practice to move from good to great. The homework we send is practice...something they have been taught to do, not something you need to teach them. Please partner with us in providing this necessary practice.

Students will be given homework in reading (including chances to respond in writing), spelling, and math at their level. Students will be held accountable for reaching their homework goals through follow-up assessments that are done in the classroom. These assessments provide the vehicle for important feedback on student progress as a result of their work at home. **Neat handwriting will be expected on all written portions of homework.**

Please follow the homework "10-minute rule," which recommends a daily maximum of 10 minutes of homework per grade level. Second graders, for example, should do about 20 minutes, 3rd grade 30, 4th grade 40, and 5th grade 50 minutes of homework each night. Homework assignments are designed to provide additional practice and reinforce concepts learned in class, helping students solidify their understanding and build strong study habits. As students transition to secondary school, these assignments prepare them for the increased academic demands by promoting time management skills and independent learning.

## Student Performance Levels

The boxes below show student performance levels. At the end of each trimester, each student is assessed according to their performance and effort on the benchmarks their class completed toward the state and district standards during that trimester. A complete list of these benchmarks is available on our website or by request of the classroom teacher. **The expectation is that students will score a 3 by the end of the school year.**

1 (Limited Progress)	2 (Making Progress Toward Standard)	3 (Meets Standards)	4 (Exceeds Standard)
<p>Student is performing significantly below District grade level standards and/or</p> <p>Student is showing limited progress in applying skills and strategies to understand concepts</p>	<p>Student is performing near District grade level standards and/or</p> <p>Student is showing a partial understanding of concepts applying skills and strategies</p>	<p>Student has achieved District grade level standards</p> <p>And</p> <p>Student consistently demonstrates understanding of concepts applying skills and strategies</p>	<p>Student has achieved District grade level standards and</p> <p>Student demonstrates exceptional level of understanding</p>

## Gifted Education Identification and Services

We have a process to identify students who are considered gifted in one or more academic areas. Students who are identified as gifted are placed on an advanced learning plan (ALP) and modifications are made in their curriculum and instruction to meet their needs and extend their learning. Please see information about IHBB [Gifted and Talented Education](#).

## Promotion or Retention

The authority of promoting or retaining a student rests with the Superintendent and the Board of Education. However, much of this authority is delegated to the building Principal. No student shall be promoted, graduated or retained unless the Principal and the Superintendent agree to that decision. The classroom teacher(s) shall advise the Principal as to their opinion in the matter of retaining students at each grade level. A meeting with the classroom teacher, parents, and the principal will be held to evaluate the decision to either promote or retain the student. The Principal shall review these findings and make specific recommendations for the Superintendent concerning retention or promotion.

## House Points & ROCK Recognition Program

At Strasburg Elementary School, we are committed to fostering a positive and inclusive school culture by recognizing and rewarding behaviors that reflect our core values, represented by the acronym ROCK:

- Respect
- Ownership
- Compassion
- Knowledge

Students have the opportunity to earn house points by consistently demonstrating these values both inside and outside the classroom. Staff members award points for actions that reflect strong character, responsible decision-making, academic effort, and positive social interactions. At the conclusion of each month, the student in each grade level who have accumulated the highest number of house points will be formally recognized. These students will be invited to participate in a special celebration with the principal, which includes engaging games and activities designed to honor their achievements.

The House Points & ROCK Recognition Program is one way we reinforce the importance of character, leadership, and academic excellence. We encourage families to support and discuss the ROCK values at home to help reinforce a strong school-to-home connection.

## SCHOOL RULES AND EXPECTATIONS

### Internet Rules

We are pleased to offer students of Strasburg Elementary School access to the district's computer network and internet. To gain access to the internet, all students under the age of 18 must obtain parental permission. The permission form is given at the beginning of the school year.

The network is provided for students to conduct research and communicate with others. Access to network services is given to students who agree to act in a considerate and responsible manner. ***Access is a privilege – not a right.***

Communications on the network are often public in nature. Individual users of the district computer networks are responsible for their behavior and communications over those networks. Students need to treat all school computer hardware and software with respect.

It is presumed that users will comply with district standards and will honor the agreements they have signed.

Access to the Internet is conditional on the students' understanding and acceptance of the following terms:

1. While using the Internet I agree to be polite, use proper language and be considerate of others.
2. I will use the Internet primarily to extend the work of my class work.
3. I will only download materials that are considered to be appropriate with teacher's approval.
4. I will only access computers and programs with my password.

6. I will respect all property related computers at the school. (including NO food or drink).
7. I will consult my teacher before printing.
8. I understand that inappropriate use will result in the loss of Internet privileges as well as other disciplinary actions.

Please see [Student Use of Internet & Electronic Communications](#) JS E.

In order to maintain a focused and safe learning environment, students in Preschool through 2nd grade are not permitted to bring toys to school for use during recess or class time. This policy helps minimize distractions and ensures that all students can fully engage in their educational activities. For students in 3rd through 5th grades, personal game balls are allowed during recess; however, these items are bought at the student's own risk. The school will not be held liable for any damage or loss that may occur to these personal belongings. We appreciate your cooperation in adhering to these guidelines to support a productive and enjoyable school experience for all.

## **Student Behavior**

Staff and school administration will use the Strasburg Elementary School Discipline Matrix in regards to student behavior.

\*Students who adhere to the rules, expectations, guidelines, and principles have the opportunity to receive recognition to support their positive behaviors. In addition, each classroom teacher has the ability to reward students to support their positive behavior.

## **SES STUDENT BEHAVIOR**

Each student is a unique individual with unique personal, social, and educational needs. As a result, every disciplinary situation becomes unique in nature. Consequences for misbehavior provide the best learning value when matched to the unique student and the unique situation. The odds for children learning from their mistakes increase dramatically when children see a reasonable connection between their behavior and the resulting consequences.

Our school staff dedicates itself to following a set of core beliefs that provide a guide for dealing with student discipline. These core beliefs guide our attempts to individualize disciplinary procedures and to help students see reasonable connections between their behavior and the resulting consequences.

Since these core beliefs provide the guiding light for our professional decisions, the staff encourages parents to bring concerns and questions to us in the event we operate in ways that appear to be inconsistent with these core beliefs.

## **Responsibility Centered Discipline**

All staff members will utilize the RCD approach for disciplining our students. RCD is a “transformational approach that shifts the goals of school discipline from making a student behave to empowering a student to take ownership of his or her behavior...By creating a Responsibility-Centered Culture in a school and providing administrators, educators and students with a simple and consistent system for addressing all educator-student conflicts, RCD turns this enormous challenge into an opportunity for greater growth and learning- not only for the students, but for everyone who uses the system” (Thompson, 2015, pg. 9-10).

The following list of core beliefs outlines the professional actions and attitudes of all staff members in this school:

1. Every attempt will be made to maintain the dignity and self-respect of both the student and the teacher.
2. Students will be guided and expected to solve their problems, or the ones they create, without creating problems for anyone else.
3. Students will be given opportunities to make decisions and live with the consequences, be they good or bad.
4. Misbehavior will be handled with natural or logical consequences instead of punishment, whenever possible.
5. Misbehavior will be viewed as an opportunity for individual problem solving and preparation for the real world as opposed to a personal attack on school or staff.

School problems will be handled by school personnel. Criminal activity will be referred to the proper authorities.

## **Positive Behavior Intervention Supports (PBIS) System**

PBIS is an acronym that stands for **Positive Behavior Intervention Supports**. Our school-wide PBIS is a broad range of systemic and individualized strategies for achieving important social and learning outcomes while preventing problem behavior with all students. PBIS was adopted by our school district as a result of the Colorado School-wide Positive Behavior Supports Initiative.

The purpose of the Colorado School-wide Positive Behavior Supports Initiative is to establish and maintain effective school environments that maximize the academic achievement and behavioral competence of all learners in Colorado. Strasburg

Elementary uses a house system as a structure for our PBIS. Some of the house system benefits include but are not limited to:

**Social and emotional development-** Students can develop socially and emotionally through house activities and competitions, which can reinforce concepts taught in an SEL curriculum.

**Character development-** Students can be encouraged to develop positive behaviors, responsibility, and teamwork.

**Sense of community-** Students can work together towards a common goal, which can promote a sense of community.

**Academic achievement-** Students who feel comfortable and supported enough to participate in house events may be more likely to fully commit themselves to academia.

**Leadership opportunities-** Older students can develop into leadership roles.

**Sense of belonging-** Students can feel a sense of identity and belonging, which can make large schools feel smaller.

**Community involvement-** Students can be encouraged to engage with their housemates and play an active role in the school community as well as the Strasburg community.

## **BEHAVIOR INFRACTIONS**

The primary mission of Strasburg School District is to develop responsible and productive members of society. Violations of our standards for behavior/rules of conduct are categorized by the severity of the event or behavior and are addressed as identified below. Negative behaviors/events are documented via the Classroom Referral form.

### **Minor Behavior Infractions**

Minor behavior infractions are those negative behaviors that do not have severe impacts to the student, other students or adults, classroom or school environment; safety and security have not been breached. They are misbehaviors that need education, redirection, and practice of the positive behavior(s) we are seeking. Minor behavior infractions can become a major behavior infraction if it repeats for a third time without improvement.

Students who violate our standards or rules of conduct will be reminded of these standards or rules. Teachers will issue a **Classroom Referral** after an appropriate reminder(s) has not brought about compliance from the student. The event is documented on a Classroom Referral form. Parents are contacted about the event by the teacher via phone, email or Classroom Referral form sent home with the student.

The purpose of the Classroom Referral is to provide an opportunity for the student to “stop and think” about the offending behavior, to make a plan for how to fix the situation and/or repair

relationships, to discuss consequences and to make a plan for how s/he will behave the next time the same or similar trigger for the poor behavior might present itself.

## **Major Behavior Infractions**

Major behavior infractions are those negative behaviors that have more severe impact to the student, others, classroom or school environment; safety and/or security have been breached. They are misbehaviors that require the attention of the administration. A major behavior infraction can be a first time offense because of its severity or a major behavior infraction can be the result of 3 minor behavior infractions that have not improved by the third time the negative behavior repeats itself. An **Office Referral** is documented at this point.

Behavior that disrupts the classroom or is harmful to the welfare of other students or school personnel is unacceptable because such behavior impairs the ability of Strasburg Elementary School to fulfill its mission.

Consequently, such behavior may result in disciplinary action up to and including expulsion. It is the intent of Strasburg Elementary that disruptive and unsafe behaviors are unacceptable and will be dealt with in accordance with the Discipline Code. Violation of the Code may also result in referrals to law enforcement agencies. The Board of Education directs the Superintendent of Schools to develop regulations to implement the purposes of this policy.

This discipline code shall be in effect at Strasburg Elementary, from Preschool through the fifth grade. This Code applies to conduct at school, on District property, in District vehicles or at a school-sponsored activity or event (whether or not the school-sponsored activity is on or off campus), and under circumstances where off campus activity is detrimental to the welfare or safety of other pupils or school personnel.

## **GUIDELINES AND CODE OF ETHICS FOR DISCIPLINE**

Please see [Code of Conduct Policy JICDA](#) and [Student Conduct Policy JIC](#)

Effective discipline involves a few overriding tenets rather than a long list of specific rules. Situations are dealt with as they arise, with the focus on enabling the child to grow and learn from his or her action.

## District Code of Conduct

The principal may suspend or recommend expulsion of a student who engages in one or more of the following specific activities while in school buildings, on school grounds in school vehicles or during a school sponsored activity. Suspension or expulsion shall be mandatory for serious violations in a school building or on school property.

5. Violation of criminal law which had an immediate effect on the school or on the general safety of welfare of students or staff.
6. Violation of district or building regulations.
7. Violation of the district's policy on dangerous weapons in the schools. Please be aware of the **Weapons in School Policy JICI (Complete policy online at [www.strasburg31j.com](http://www.strasburg31j.com))**
8. Violation of the district's alcohol use/drug abuse policy. Expulsion shall be mandatory for sale of drugs or controlled substances, in accordance with state law. Please see the **[Drug and Alcohol Use Policy JICH](#)** .

17. Continued willful disobedience or open and persistent defiance of proper authority including deliberate refusal to obey a member of the school staff.

18. Behavior on or off school property which is detrimental to the welfare, safety or morals of other students or school personnel.
19. Repeated interference with the school's ability to provide educational opportunities to other students.

## **Disciplinary Measures & SES Discipline Matrix**

Definition of Major Discipline Measures:

1. Loss of Privileges: The removal of a student from lunch and/or recess or other activities.
2. Suspension: The temporary exclusion of a student from class either in or out school for a period of from one to ten days as determined by the Principal and/or Superintendent.
3. Expulsion: The exclusion of the student from the school for a period in excess of ten school days by a final decision of the Board of Education.

The disciplinary measures defined above are not all inclusive but rather are a listing of major disciplinary action that may be taken to punish a student for misconduct. It is the hope and intent of the school that such consequences, when utilized assist the student in developing proper behavioral patterns.

A **detention, suspension, or expulsion** may be imposed at any time when a student commits an infraction that seriously violates the rights or endangers the safety of another person, or commits major damage to any school property or another person's property while at school. (**Complete discipline policies [JKBA](#), [JKA-R](#), and [JK-R](#).**)

Strasburg Elementary has implemented a Discipline Matrix to use for student behaviors, which can be found here: [☰ SES Discipline Matrix](#) .

## **Strasburg Elementary Bullying Practices**

At Strasburg Elementary School we use prevention and intervention strategies and provide education for students to help them determine the difference between disagreements, mean/rude behaviors, and bullying. The school counselor and staff utilize bullying education materials throughout the year. The Strasburg Elementary School community gives and receives a consistent message that bullying and harassment are not tolerated. Per Board policy, any student who believes they have been a victim of bullying and/or other behaviors prohibited by this policy, or who has witnessed such bullying and/or other prohibited behaviors, is strongly encouraged to immediately report it to a school administrator, counselor, or teacher. Investigation and

response to any reports of bullying will be handled using the superintendent's comprehensive program procedures. Staff and students make every effort to create a safe school climate that is conducive to teaching and learning that is free from threat, harassment, and any type of bullying behavior.

## **Bullying Prevention and Education**

The Board of Education supports a secure school climate conducive to teaching and learning that is free from threat, harassment, and any type of bullying behavior. The purpose of this policy is to promote consistency of approach and to help create a climate in which all types of bullying are regarded as unacceptable. Prohibited behaviors include: bullying, retaliation against those reporting bullying and/or other behaviors prohibited by this policy, making knowingly false accusations of bullying behavior

*Bullying* is the use of coercion or intimidation to obtain control over another person or to cause physical, mental or emotional harm to another person. Bullying can occur through written, verbal or electronically transmitted expression or by means of a physical act or gesture. *Retaliation* is an act or communication intended as retribution against an individual who reports an act of bullying. Retaliation can also include knowingly making false accusations of bullying or acting to influence the investigation of, or the response to, a report of bullying.

*False accusations* of bullying are those made knowingly by an individual or group of individuals with the purpose of causing harm to another individual and which are false.

[Note: At the Board's discretion, the policy may state "or against whom federal and state laws prohibit discrimination upon the bases described in C.R.S. 22-32-109 (1)(II)(I)" instead of listing the specific classes protected by federal and state discrimination laws.] Please see [JICDE Bullying Prevention & Education](#).

### **Immunizations of Students**

**Please see information of JLCB-R Immunizations of Students, JLCB-Immunization of Students**

January 2016

Dear Parents of Kindergarten-12th Grade Students in Colorado Schools (School Year 2016-17):

Immunizations are an important part of our children's and the community's health. Colorado law requires students attending a public, private or parochial school to be immunized against certain vaccine-preventable diseases. The purpose of this letter is to remind parents about the need for back-to-school immunizations and to provide immunization information. The chart on page 2 shows which vaccines are **required** for school attendance, along with **recommended** vaccines which provide more protection against vaccine-preventable disease. There are no changes to the vaccines required from the previous school year. It is helpful to share this letter with your child's healthcare provider or your local public health agency (LPHA) where your child receives immunizations.

Colorado follows the Centers for Disease Control and Prevention's Advisory Committee on Immunization Practices schedule. This schedule is approved by the American Academy of Pediatrics, the American Academy of Family Physicians and the American College of Obstetricians and Gynecologists. This is the immunization schedule which will best protect your child from vaccine-preventable diseases and is the national standard for health care providers who vaccinate your children. *Please note: In Spring 2016, it is anticipated the Colorado Board of Health will approve a recommendation that will require all students to*

*receive their final doses of DTaP, Polio, MMR and Varicella (chicken pox) vaccine before kindergarten entry and one dose of Tdap vaccine before 6th grade entry.*

Starting **July 1, 2016**, parents/guardians seeking non-medical (religious or personal belief) exemptions for children in kindergarten-12<sup>th</sup> grade must submit non-medical exemption forms annually. Medical exemptions only need to be submitted once and require the signature of your child's doctor or advanced practice nurse. To submit a non-medical or medical exemption, go to [www.colorado.gov/vaccineexemption](http://www.colorado.gov/vaccineexemption) and follow the instructions. Children with an exemption may be kept out of school during a disease outbreak.

Parents may have questions or want more information about children's immunizations and vaccine safety. Resources for parents about the safety and importance of vaccines are available at: [www.ImmunizeForGood.com](http://www.ImmunizeForGood.com) and [www.colorado.gov/cdphe/immunization-education](http://www.colorado.gov/cdphe/immunization-education).

Colorado law requires schools to provide school-level immunization and exemption information to the Colorado Department of Public Health and Environment (CDPHE) by December 1, 2016. Immunization and exemption rates for each school will be posted on the CDPHE website as soon as they are verified. Many parents, especially those with children who can't be vaccinated due to a medical issue, may want to know which schools are best protected against vaccine preventable disease.

Please discuss your child's vaccination needs with your child's healthcare provider or LPHA and bring your child's updated immunization records to school each time your child receives an immunization. To find your LPHA or learn about free or low cost vaccines, call the Family Health Line at 1-303-692-2229 or 1-800-688-7777. **For questions about school immunization requirements, please contact your school.**
