TWO STUDENTS SELECTED FOR WASHINGTON YOUTH TOUR

EDMONTON, Ky. (March 10, 2026) – Metcalfe County High School is proud to announce that two students have been selected to represent Farmers RECC on its annual Frankfort and Washington Youth Tours.

MCHS juniors Jozie Allen and Corinne Keller are two of four regional award winners chosen by the electric cooperative to attend this year's "Government in Action" Youth Tour. This is the fourth consecutive year that MCHS will have a representative on the tour.

"We are excited that Farmers RECC has invited two of our Hornets this year to take part in this one-of-a-kind educational opportunity," Principal Joseph Eaton said. "Jozie and Corinne will be excellent ambassadors for our school and community. Both are stellar students who can bring new ideas to our state and national leaders. We can't wait to hear about their experiences when they return."

Kentucky is among the 45 states to send youth delegations to the annual electric cooperative youth tour. The students visit with U.S. congressional members, participate in energy and grassroots government education sessions, and go sightseeing in Washington, D.C.

Jozie is the 18-year-old daughter of John and Tammy Allen of Edmonton. Corinne is the 17-year-old daughter of Rose Rovera Saltsman and Pete Saltsman of Edmonton.
