Seeds On The Move

A Rhyming Mini-Play

by Jaqueline Clarke

Characters: Flower Seed 1 Seed 2 Seed 3

Setting: a garden

Flower:
My little seeds,
It's time to go,
To find your place
In the Earth Below.
Seeds:
But how will we move
From here to there.
Flower:
Seek a friend in nature
In this world we share.
Seed 1:
I'll ask the wind
For a ride.
We'll travel the sky
Far and wide.

Seed 2
I'll ask the water
For a ride.
We'll travel the ocean
Far and wide.
Seed 3:
I'll ask the child
For a ride.
We'll travel the Earth
Far and wide.
Flower:
Wherever you land
When your trip is through,
Seeds:
Is where we'll grow
To be just like you!
