Literacy

Phonological Awareness

Rhyme Time
Starting with the word jig, how many new words can you create by changing the beginning sound?

Phonics

Choose 5 heart words you have learned this year and explain to a family member how you know it is a heart word. For example:
The is a heart word because we don't hear the expected sound of e. So we need to remember an e makes an unexpected sound in the word the.

Fluency

Read the following linked Mini-Play: Seeds on the Move. Read the Mini-Play aloud to a family member.

Vocabulary
