

STEMspired SUMMER CAMP STUDENT INTERN JOB FAIR

CEDAR HILL ISD INNOVATION CAMPS

Cedar Hill ISD is seeking responsible, motivated high school students to serve as **Summer Camp Interns** supporting district Innovation Summer Camps for elementary and middle school students.

Student interns will assist teachers and program staff with **camp activities**, **student supervision**, and **daily camp operations** while helping create an engaging experience for younger scholars.

This opportunity allows students to **gain leadership experience**, professional skills, and **real-world responsibility** while working in an educational environment.
