

Our ref: TCE/HLE/Y11 Intervention Term 4

27 February 2026

Dear Parent/Carer

Re: Year 11 Intervention – Term 4

As we move closer to the GCSE summer examination period, we are writing to confirm the arrangements for this term's Year 11 intervention programme.

Students have been carefully allocated to targeted intervention sessions to support their achievement and maximise their success in the upcoming GCSE examinations. These sessions form an important part of our preparation programme.

Tutor Time Interventions

Tutor time interventions will be running in the following subjects:

- English
- Mathematics
- Science
- Modern Foreign Languages - Spanish
- History
- Geography
- Art
- Music
- Drama
- Business Studies

If your child has been allocated to a specific intervention it will be based on their individual needs. The intervention they have been assigned to will appear on their Class Charts timetable from Monday.

These sessions are designed to provide focused support, address gaps in knowledge, build confidence and strengthen exam technique. Evidence consistently shows that regular attendance at targeted intervention sessions has a significant positive impact on outcomes.

We ask for your full support in ensuring your child is punctual to school every day and attends all scheduled intervention sessions. Good attendance and punctuality are crucial in the final months before GCSE examinations.

Inspiring our children and staff to flourish and achieve their best

Proud to be part of the University of Brighton Academies Trust

Period 6 Interventions

In addition, Period 6 interventions will begin on Monday 2nd March and will run until the end of term. Please see the enclosed timetable for full details.

These sessions will operate in two ways:

- **Open sessions** – available to all Year 11 students.
- **Invitation-only sessions** – targeted support for specific students to ensure help is directed where it is most needed. If your child is invited to attend a session, their subject teacher will inform them directly.

We strongly encourage students to take full advantage of these additional learning opportunities.

Thank you for your continued support during this important stage of your child's education. If you have any questions, please do not hesitate to contact the school.

Yours sincerely

Tiff Cole
Assistant Principal

Year 11 Period 6 Timetable – From Monday 2nd March

Day	Subject	Room	Staff Code	Students
Monday	Food Technology	T13	JEN	All students welcome
