Dear MHS Graduating Senior,

Madison Community Improvement Corporation is pleased to announce the establishment of the MCIC Community Scholarship, created to recognize and support a graduating senior who has demonstrated an outstanding commitment to serving and strengthening our community.

This $1000.00 scholarship is intended for a student who exemplifies leadership, integrity, and a genuine dedication to making a positive difference in the lives of others. Eligible applicants should have a proven record of meaningful community involvement, whether through volunteer service, school or civic leadership, faith-based initiatives, cultural organizations, or other activities that contribute to the well-being of our community.

The selected recipient will be a student who not only participates in service activities, but who demonstrates initiative, compassion, and the ability to inspire others. We are especially interested in students who intend to continue serving their communities in the future through their educational and career pursuits.

Applicants must submit:

- A completed scholarship application
- An essay describing their community involvement and future commitment to service
- One letter of recommendation highlighting their character and community impact

The scholarship recipient will be selected based on demonstrated service, leadership, character, and overall contribution to the community.

We encourage all eligible students who are passionate about community engagement and service to apply. It is our honor to invest in a student who reflects the values and spirit of our community.

For application details and deadlines, please see the application.

Sincerely,

MCIC Community Scholarship Committee
