GO HIGHLANDERS!!

The Highlander Robotics Camp is designed to teach young students safe and proper robotics fundamentals as well as instill the characteristics that make up a Highlander Robotics Team Member. Engineering Principles, Design Thinking & Problem Solving strategies will be emphasized. Being a Highlander Robotics Team Member means committing to excellence. We take PRIDE in our Family, Academics, and Robotics, in that order. Robotics is a way to a means. The goal is to lay the foundation for continued skill development and future success in Robotics and Life.
