Weather Alerts and Early Closure Information

When our school district has a schedule change (closing or delay) due to inclement weather or other emergencies, the information is communicated as soon as the decision is made on all of these platforms:

- District website
- District text messages through [schoolNEWS Alert System](#)
- @usd232official on [Facebook](#) and [Instagram](#)
- Local [FOX4](#), [KCTV5](#), [KMBC 9](#), and [KSHB 41](#) stations
- Email to families via Skyward Family Access

Note: Families participating in [JCPRD Out-of-School-Time childcare services](#) will be notified about the status of before- and after-school care from JCPRD.

We understand that no decision will be perfect for every family. Our commitment is to err on the side of caution to ensure everyone's safety. Ultimately, each parent should feel empowered to make the best choice for their own child. In this case, please contact your school's office and your child's absence will be recorded as an excused absence.
