

**PENN-DELCO SCHOOL DISTRICT
TITLE 1 PARENT AND FAMILY ENGAGEMENT POLICY
PARKSIDE ELEMENTARY SCHOOL**

Penn-Delco's Title 1 Program endorses the mission statement of the school district:

The mission of the Penn-Delco School District is to enable all students to achieve, succeed, and excel. Our primary focus is on student achievement. The district has implemented academic standards in an effort to stress high expectations for all students.

The Penn-Delco School District believes that in order to achieve our mission, parents need to be aware of the district's programs and involved in support of those programs both in school and at home.

At Back to School Night in the fall all parents are provided with the curriculum for the grade level from the classroom teacher. The assessments are outlined in this presentation and again personally at parent conferences. The district elementary report card is standards based so the proficiency levels and the child's progress toward meeting those standards are provided each trimester.

To provide additional support to the parents of the Title 1 students these resources will be provided:

- A workshop for parents will be held this fall to provide parents/guardians with ways that they can help their child at home.
- The Title 1 teacher Schoology Classroom will also provide parents/guardians with information on how to help their child at home. Included on the Schoology Classroom will be links to Internet sites that can provide additional at home ideas and activities. The Schoology Classroom will be updated regularly.
- Notifications of events and progress will be sent regularly through a classroom app.
- All teachers have an email address and voicemail so that parents/guardians can easily communicate with the Title 1 teacher at any time throughout the year with questions and concerns.

In order to provide opportunities to discuss each student's progress, parents are invited to conferences in the fall and the spring. Conference times are available during the school day and in the evening, with either an in-person or Zoom option. There will be a written Title 1 progress report for each of the trimesters, along with the report card. Digital and hard-copy versions of the progress report will be sent home. Ensuring regular two-way, meaningful communication between family members and school staff and, to the extent practicable, in a language that family members can understand is an important goal for the district.

An annual survey will be sent home to the parents/guardians in the Title 1 Program, in both digital and hard-copy format. This survey will ask parents/guardians to provide feedback on the value of the parent conferences, the Schoology Classroom, the parent workshop, and progress reports. The survey will invite parents to offer suggestions to increase parent involvement in the program. Your feedback will guide us in making improvements so our program continues to meet your family's needs.

Parents/Guardians from each Title 1 school were invited to a meeting to review the draft of the Title 1 Parent and Family Engagement Policy. They provided input and suggestions for change. The policy will be distributed at the annual fall meeting. Your feedback is always welcome.

In subsequent years this policy will be revised as needed by meeting with Title 1 parents and reviewing the annual surveys. The Title 1 Parent and Family Engagement Policy will be distributed to parents in a format that is understandable and in the appropriate language. We value your partnership and look forward to working together to help your child succeed.

Upcoming Dates

October 16, 2025 Parent Title 1 Information Session (4:00 & 6:30)

June 3, 2026 Parent Feedback Meeting (9:30 AM)
