MARCH NEWSLETTER

DISTRICT PROFESSIONAL DEVELOPMENT

A huge thank you to Jennifer Damin and her team for always putting so much thought and preparation into our Professional Development days. Our most recent PD on March 3 received positive feedback from educators across the county. Please take a moment to check NCEES to be sure your credits are accurate. If you have any questions about your renewal, reach out to your schools HR specialist so you don't have to stress about missing credits or deadlines. We look forward to many more opportunities to grow, learn, and share together as educators through these PD days.

DISTRICT NEWS

- The **NC Teacher Working Conditions survey** is approaching! All certified staff will receive an email with a unique, anonymous link to the survey. If you want to check out the survey in advance, [use this link](#)! We are aiming for 100% participation across the district. Want to track our progress? [Click here](#)!
- The class of 2039 is coming soon! **Kindergarten registration** has begun. Please encourage any families with an eligible future BCS student to register as soon as possible! [See this link for more details.](#)
- The process has begun for next year's **Teacher of the Year**! The school selection process is from February 23 - March 16, 2026. School winners will be announced via Facebook the week of March 16, 2026. After interviews, elementary, middle, and high school finalists will be announced the week of April 27-May 1. After in-person interviews are conducted with those finalists, our 2026-2027 District Teacher of the Year will be announced on June 11th at a banquet held at The Barn at Rock Creek.
- Brunswick County Schools will have a Bond Referendum on the November 3, 2026 ballot, with early voting available. Our district continues to experience steady growth, with some schools already using mobile classrooms and several elementary schools nearing capacity. The proposed bond would address enrollment growth, facility updates, and school safety improvements. Information about the bond proposal, including project details and community presentations, is available at the link below. These resources are intended to help our community stay informed about the proposal and the needs facing our school district. More can be found at [this link](#).

WOMEN'S HISTORY MONTH

While women's history should be incorporated all year long, these resources help teachers be intentional about the inclusion of women's history [during the month of March](#).

The National Women's History Museum has curated [an awesome collection of digital resources for K-12 teachers](#).
